Auto Tags To Show Variety Of Colors In 1925

Louisiana Plates To Be Most Varied, With Seven Hue Arrangements — Maryland's To Be Green And White

Automobile license plates for 1925 will have a new variety of color shemes. A number of States will have different colored license plates for motor cars, trucks and motor cycles within their borders. Louisiana will have seven different color arrangements in its 1925 "tags," the most elaborate in the Union.

Officials of the American Automobile Association explain that the States endeavored to use intheir plans for registration plates the colors that will show best at a distance, so that a number may be more easily "taken" in case of trouble.

In the following list, giving the plans of the various States and the District of Columbia, the first color is the back ground, the second being the hue of the lettering and numberals:

Alabama, red and white; Arizona, copper colored with black; Arkansas, black with silver; California, pneumatic tired commercial vehicle plates, yellow with black, solid black, solid commercial vehicles, red with white; Colorado, maroon with white; Connecticut, on passenger cars, dark blue with white; Delaware, orange with black; District of Columbia, dark blue with white; Florida, dark green with orange; Georgia, blue with white; Idaho, white with black; Illinois, brown with white; Indiana, ivory with maroon! FAULTY NUTRITION

Many of the ailments of grown people may be traced to faulty nutrition. Well-fed children or adults withstand weakness better than those who are indifferently nourished.

Scott's Emulsion

supplies the weakened child or adult with food-factors that other foods often fail to furnish in needful volume.

Not a great deal of Scott's Emulsion is needed—but a little regularly often means restored vigor and strength to those who are rundown in vitality or who are weak

IN MEMORIAM

In loving remembrance of our darling little son, Hilton Franklin Kendal, who was called to his home in Heaven one year ago December 10th, 1923, age 3 years, 9 months, 6 days old.

Gone in the best of his days,
Blighted in childhood bloom,
Torn from the hearts that loved him,
To sleep in a silent tomb.
God needed one more angel,
Amidst His shining band;
And so He bent with loving smiles
And clasped our Hilton's hand.
Brokenhearted Mother and Daddy.
God took our little brother,
From this world of toil and pain;
Yet some day we hope to meet him,
And hear him greet us once again.
Heaven now retains our little brother,
Earth his little casket keeps;
Where the sunbeams love to linger,
Where our little brother sleeps.
By His Little Brothers and Sisters.

LOCAL STORES LOOK BEAUTIFUL

The stores of Chestertown featuring Christmas goods have never looked better than they do at this time. The stocks are very large, well selected, and priced according to the needs of every kind of purse. Already there are many who are doing their holiday shopping and there seems to be a general satisfaction among shoppers at their ability to get just the things they have need for. A glance at the store windows will convince any shopper of the accuracy of these statements.

Kent county won the championship cup at the Baltimore poultry show when John Moffett, Jr., was awarded first prize for the best pen of Rhode Island Reds exhibited from Maryland.

Hog cholera is raging in some sections of Kent, especially around Massey and upper part of the county. This interferes seriously with many fine prospects.
