**Death Of Dr. Edmund Burke**

Rev. Dr. Edmund Burke, Ph.D., the rector of St. Paul's By-The-Sea Episcopal Church, Ocean City, died Friday evening at the Salisbury Hospital following an operation. Dr. Burke had been in poor health for several months but his condition was not considered serious until about two weeks ago, when he was removed to the hospital. Dr. Burke was also associate editor of the Eastern Shore Churchman, and one of the most prominent clergymen in the Diocese. He was once pastor at Cecilton and served the people of Galena. He was active during the Liberty Loan drives and a man of unusual ability. He is survived by a widow and one daughter, Miss Mary Burke, of Ocean City, and also one brother, Rev. Dr. Herbert, rector of Washington Memorial Church, Valley Forge, Pa.

**FIVE RING CIRCUS REALIZED AT LAST**

Ringling Bros. and Barnum & Bailey Enlarged To Accommodate New Big Arts.

At last the five-ring circus! For years reporters have used this figure of speech to describe the bigness of the Greatest Show on Earth. Now, for the first time in history patrons will actually find five rings when the greater Ringling Brothers and Barnum & Bailey circus of 1915 comes to Baltimore, May 11, 12, and 13.

With the addition last winter of enough performing horses to bring the Big Show's total to three hundred and fifty the problem presented to the Ringling Brothers was, "How handle five troupes of them in a single display?" The limits of the show grounds in many cities forbade lengthening the main tent. None of the stages could be spared. All were needed for the big collective groups of human actors. Then somebody suggested that though the "big-top" paraphernalia could not be cut down nor yet "spread out," there was no reason why it should not be "built higher." That suggestion was worked out and now, in addition to the three dri-floored rings, two additional rings have been constructed stages.

This is the greatest innovation since the Ringling Brothers started their super-circus policy by combining their own with the Barnum & Bailey Circus. It has opened the way not only for trained horse numbers in sets of fives but for other big, new displays.

The hippodrome track is utilized more than ever before. At one time it is completely circled by one hundred and fifty trained horses, each ridden by an expert, in an amazing ballet and "Fete of the Garlands." Again it is filled with glittering pageants, with splendid high-school horses or remarkable thoroughbreds that give thrilling exhibitions of lofty hurdling and hazardous high-jumps.
