IN THE WEE SMA' HOURS

It is particularly annoying to be called from bed by the insistent ringing of the telephone downstairs.

An extension telephone installed in your bedroom—or where you please—upstairs, will permit you to take the call without the frenzied hunt for slippers and the dash downstairs which usually precedes it.

An extension telephone is useful always, and invaluable in emergencies. And it costs but a few cents a day! Our Business Office will be glad to give you full information or take your order.

IDAHO REQUIRES DAILY BIBLE READING.

Daily reading of passages from the Bible in the public schools of Idaho is provided for in a bill which recently passed the Idaho legislature and was signed by the governor. The law requires the teacher to read daily from 12 to 20 verses from the standard American version of the Bible, such verses to be selected from a list of passages designated from time to time by the State Board of Education.

THE MEDICINAL TOMATO

The high vitamin value of tomatoes is illustrated in an experiment upon a pigeon suffering from polyneuritis. Juice from a can of tomatoes that had been in storage one year was administered with the result that the pigeon recovered. Tomato juice has much the same properties as orange juice and is now suggested and given to infants.

A NEW INDUSTRIAL PLANT FOR CHESTERTOWN

AND ALL THE SURROUNDING
TOWNS IN KENT AND QUEEN
ANNE'S COUNTIES.

We take this means to make a Special Appeal to all the Retail Lumber Yards, and all the Building Contractors of Kent and Queen Anne's Counties.

We are Lumber Producers. You are Lumber Consumers. We know you are at the mercy of the large Wholesale Building Lumber, and you are paying the Highest Freight Rate on Lumber in the history of this country. You all know there is three distinct groups in the lumber business: The Southern Pine Trust, The North Wood Lumber Trust and The Hard Wood Lumber Trust. They control the prices and you must pay them the price they quote you, or you don't get the lumber.

We know you are paying them far too high a price for dimension stock, and all rough lumber that goes in a building.

We know just what price you are paying them for lumber, as we get their price sheet every two weeks of all kinds of lumber in the large Eastern and Southern markets. And we pay the high freight from these large lumber markets to Chestertown, Md.

Now we, as Lumber Producers, and you builders, as Lumber Consumers, we offer you the chance of a life time to break the grip these Birds have on you.

And let us quote you prices on Rough Framing, Plank and Boards, that will completely wipe out all your high freight bills, and on some items wipe out the large profit the wholesaler and lumber jobber is making off of you.

This fine Large Steam Mill was not put in here in competition with you Retail Lumber Yardsmen. It was put in for your benefit, so that you could buy Cheaper Lumber and Build More Houses at Less Cost.

We as Lumber Producers, sell to you, the Consumers. You pay no freight on our lumber, and no middle Man's profit.

Does not that mean Cheaper Lumber for you?

Chestertown is our home and our aim is to help our home people in good old Kent and Queen Anne's, and all the Eastern Shore Lumber Yards and Builders, within trucking distance for our lumber. Think it over brethren, as we are ready to sell you cheaper lumber.

Our Mill is the large size Frick, with all the very latest improvements. Two large inserted tooth Dixon saws, one 56 in. and one 62 in. The very largest locomotive type High pressure steam boiler, that the Frick Company builds.

All new and ready to cut your lumber orders. Build a new house on that vacant lot you own. Our New Mill will help you do that. Give us your orders for lumber, and put us to work. We are ready. What you say? Let's go. Hoping that you work us day and night to fill your lumber orders.

We are, yours truly,

TEACHER HELD FOR HITTING BOY AT CECILTON, MD.

Charged with losing his temper and striking Frederick C. Wolfe, fourteen a member of the junior class at the George Hild's High School, Cecilton, in the face with his fist, J. B. D. Cooke, of Nottingham, Pa., assistant principal of the school, has been arrested and held under \$500 bond by Magistrate Johnson, of Chesapeake City, for trial at the September term of the Circuit Court in Cecil.

Mr. Cooke has resigned his position, pending the outcome of the trial. It is alleged teachers had had considerable trouble with Wolfe, and Cooke took him to task for some of his misconduct.

Cooke asserts the boy drew a knife and for that reason he used his fist. The boy was treated at a drug store.
