Now is the Time to See Florida Best

Hollywood-by-the-Sea has proved its claim of being Florida's All-year Resort City. Knowing that it is but necessary to visit its clean cool beach, we brought hundreds, that in time ran into thousands, down to Hollywood and demonstrated it. These half-skeptical visitors from the northland found first of all, a modern city, made and in-the-making, built up by its founder, Joseph W. Young, from virgin land and timberland, right in the choicest section of Florida's brilliant Southeast Coast. Few of them were prepared to find such a community as Hollywood; a community that conventional ideas had taught them to believe was given over in summer to tropical heat.

They found beautiful, brilliantly lighted coral streets, parks and parkways, bright business structures, schools and public buildings. They found a livable city with all the amusements, pleasures, and comforts of a seaside resort.

hued villas, and finally its clean glistening beach, set with palm trees and graced with the most beautiful bathing casino in the United States.

This spacious, artistically designed and brilliantly colored bathing palace with large swimming pool, wading pool, and galleries for spectators looking out over the broad blue expanse of the Atlantic Ocean, is the rendezvous of this whole section of Florida. Here cool refreshing breezes rustle the fronds of the coconut palms. Here on holidays, thousands roll in the surf of the Atlantic, or idle on the silvery sand of the beach.

Hollywood is the gem of Florida's jewel shore. This wonderful Southeast Coast of Florida, in summer, autumn, winter, spring, is always the same in its charm of life; in its amusements, relaxations and restfulness.

A Place to Live
 Hollywood is a place to live; a place to enjoy life, modestly or luxuriously as you will.

You cannot afford to overlook the great touring opportunity which the Hollywood \$150 Tours place before you. Visit Hollywood's Golden Strand, and see Florida at the same time. You can do it all for the cost of \$150—every expense included. But the opportunity is waning. Reservations are accepted in the order they are received.
