To The Farmers of Kent County
You Are Now Getting Returns
From Your Wheat

SAVE PART OF YOUR CROP

Pace it in the Savings Department of
THE CITIZENS BANK

It will pay you interest compounded at 4½% per annum. This is the largest rate you can get from any Savings Bank in Kent county. Try it this year. Deposit \$5, \$50, \$500, \$1,000 and let it work interest for your interest.

There is nothing like a Savings Account in a good Bank. Those who use part of the proceeds of their wheat crop for this purpose will never regret it. We invite you to become a patron of this Bank, and if already a patron we invite you to make an effort to save so much of your wheat crop as is possible.

It will work for you every day and night in the year.

SUFFERED TWO YEARS

Finally Relieved by Taking Lydia E. Pinkham's Vegetable Compound, Says Mrs. Anderson

Rangleley, Maine. — "Lydia E. Pinkham's Vegetable Compound helped me down pains in the sides and back, headaches and tired feelings. I suffered for two years and it seemed as though I could not get my work done from one day to the next. After reading letters from others who had taken the Vegetable Compound I decided to try it and now I can do all kinds of work, sewing, washing, ironing and sweeping. I live on a farm and have five in the family so am busy most of the time. I recommend the Vegetable Compound to my friends and hope my letter will help some one to take your medicine." — Mrs. WALTER E. ANDERSON, Box 270, Rangleley, Maine.

Over 200,000 women have so far replied to our question, "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?" 98 out of every 100 of the replies say, "yes," and because the Vegetable Compound has been helping other women it should help you. For sale by druggists everywhere.

Window designs of historical value

MUCH of the charm of many quaint old homes is due to their windows. Windows give expression and character to a house.

Curtis window designs, like all other items of Curtis Woodwork, are derived from the finest old homes in this country. They are equally well built, too.

We will be glad to show you the unusual construction of Curtis windows and the selected wood from which they are made.

Windows are but one item of the Curtis line of woodwork. The Curtis trademark also appears on doors, trim, frames, stairs, cabinet-work.

Curtis Woodwork is no higher in price, even if it does give you better designs, material and workmanship, than ordinary millwork. In fact, it often costs considerably less when all expense items are taken into consideration.

Ask for the free booklet "Curtis Woodwork," helpful and interesting to builders.
