

# The Better Buick is a Man-sized Motor Car

People appreciate a smart-driving, easily-handled, but full-sized, man-sized car. The Better Buick, for instance.

Each Buick model seats its capacity of full-grown people—in relaxed ease—without cramped legs or necks. Tall people, especially, enjoy its extra head-room and leg-room.

American men and women are above the average stature. And a smaller car than Buick is apt to be tight-fitting, low-ceilinged, crowded!

Drop in and try the ample, arm-chair comfort of a car that is right in size. Bring some of your six-footer friends. You will find another big reason why Buick is so widely considered a better motor car—another reason why there are a million and more enthusiastic Buick owners.

Or telephone, and we will send a Better Buick to your home or office for you to try.

# Interest-ing!

A savings account book in which the money you have put away tells the most interesting story imaginable. The first deposit and the others that follow tell their story of sacrifices and skipping. Will you ever forget the thrill when the hundred mark was reached? Then later the first thousand? And above all that event of a lifetime—YOUR FIRST INTEREST!

Perhaps two may not live as cheaply as one, but statistics prove that a man and wife save more than when they were single. The desire for a home of their own, for their car, for independence in their old age makes them save, because without saving, they will be poor and destitute. Save your money and let it work for you.

### DISTURBED SLEEP

Caused From Bladder Weakness. Nature's Way of Telling You of "Danger Ahead."

No. 160  
J. H. Hanford, 7155 Yale Ave., Chicago, Ill., says, "For two years I have been troubled with gravel. Many times it would cause me to get up eight to twelve times at night, and it was very painful. Lithiated Buchu cleaned me up in one week. I will be glad to tell or write my experience." Lithiated Buchu is not a patent medicine as the formula is on the label. It cleanses the bladder as epsom salts do the bowels, driving out abnormal deposits, neutralizing excess acid, thereby relieving irritation which causes disturbed sleep. It is not a cheap medicine. The tablet cost 2 cents each at all drug stores. Keller Laboratory, Mechanicsburg, Ohio. For sale at M. A. Toulson's Drug Store. Advt.
