OUR 50TH BIRTHDAY SALE

gains momentum this week

The response during the early days of this celebration has been a source of great gratification to us. It has been a great pleasure to meet so many old friends and so many new friends we've made since this sale started.

We expected a great response, but nothing like this. We've had to enlarge our preparations; add new and greater values to the stocks we prepared. There's going to be a special birthday bargain for every man who comes into this store this week if it takes every last article in our stock.
