DEATH OF MRS. M. S. HANZEL BY AUTO

Aged Woman Fatally Hurt When Carriage Is Struck By Raskob Auto—Was Without Lights.

The coroner's jury which conducted an inquest in the death of Mrs. Martha S. Hansel, aged about 48 years, who was fatally injured Thursday evening when the carriage in which she was riding was struck by an automobile driven by William W. Kline and owned by John J. Rascob, of Wilmington, Del., has referred the case to the State's Attorney of Queen Anne's county for investigation.

Mrs. Hanzel died in Union Hospital a short time after being admitted. The inquest was held last Friday night and the following verdict returned:

"That Mrs. Martha S. Hansel, 48 years of age, came to her death from shock and injuries received while riding in a carriage near Millington, and being struck by an automobile owned by John J. Rascob, of Wilmington, Del., and driven by William W. Kline who voluntarily admitted he was driving the automobile without headlights which were in perfect condition, and was using cowl lights, at 5.45 o'clock on January 14, 1926, and we, the jurors, refer the matter to the State's Attorney of Queen Anne county for further investigation."

Mrs. Hansel, whose home was at Crumpton, was riding in a carriage with William Bottomley, of Millington. In the automobile were Mrs. John J. Rascob and Dr. John Palmer, Jr., of Wilmington. Mrs. Rascob had been to Centreville on business in connection with recently acquired farm land at Pioneer Point. Dr. Palmer had been a guest for several days at the Rascob home on Chester river. The party was returning to Wilmington. The automobile is said to have struck a wheel of the carriage, throwing the occupants into the roadway.

The injured woman was rushed to the office of Dr. Merritt Brice, in Millington, where an examination disclosed her injuries were of such a nature that she should be removed to a hospital. Mrs. Raskob instantly ordered that the car be rushed to Elkton, and personally supervised placing her in the hospital. Bottomley was not seriously hurt.

At the inquest Bottomley, driver of the carriage, admitted that he had no lights on his carriage although the Maryland law requires a light on each side when a vehicle is driven after dark.

Mrs. Hansel resided with her husband on a small truck farm near Crumpton. For more than a year her husband has been in poor health and she has been working for various families around the neighborhood. Mr. Bottomley was taking her home after her day's work. Emerging from an intersecting road, the occupants of the automobile had no warning of the proximity of the vehicle until an instant before the crash came.

It Happened In Talbot County

Report reaches us that a resident of Talbot County did not send his children to school as the law requires and finally when compelled to send them did so and they progressed very rapidly in their studies. A salesman heard about the children attending school and went to sell the father an Encyclopedia. The dad replied that he would not buy them such a thing saying: "Let them walk to get an education the same as I had to."

IN MEMORIAM

Sacred to the memory of my dear son, Leslie Procter Sewell, who departed this life January 24, 1919.

My thoughts go wandering when
daylight fades,
To the land of long ago;
And memory paints the scenes of old
In the gold of the twilight glow,
I seem to see in the soft dim light
The face I love the best,
And I think of him when the sun's
last ray
Goes down in the far off west.
Sometime, somewhere the mist will
clear,
Misunderstandings will disappear:
Life't tangled threads will all be
straight,
May I with grace and patience wait.
Sometime, somewhere no sad farewell,
No last long look, no tolling bell;
Their hand in hand and heart to
heart,
Through countless ages never to
part.

By his lonely mother, Mary C. Ryan.

Through fate our paths may separate,
And hide your face from view,
'Tis powerless to take from me
Loving memories of you.
And so when the mist clears away
And the dead in Christ shall arise;"
Then I known his face we shall see
When we gather with Christ in the
skies.

By John C. Ryan.

In sad but loving remembrance of our dear father and grandfather, John W. Fowler, who departed this life twenty-one years ago January, 1905.,

Although you could not speak to us
Or could you say good-bye,
We know your thoughts were with us
When you were called to die.
The hands that did so much for us,
How helpless they lay.
God knows they worked continuously
But are gone today.
The flowers were laid upon your
grave,
May whither and decay,
But the love of dear father and
grandfather,
Will never pass away.

By His Loving Children and Grandchildren.

No *Demonstration* can reveal *all* of BUICK Excellence

G-15-26-NP

ANY time you drive a Buick you will wonder how such a remarkable car can be sold at such a moderate price.

In just a few minutes you will realize that you are starting, stopping, parking, driving with much greater ease and security. And that you are surrounded by quality and luxury which rank with the very finest.

But demonstration will tell only part of the Buick story, and you should know all of it.

A demonstration cannot show you the enduring stamina of body and chassis that belongs to Buick. Years are necessary for that. It can only suggest the powerful ability of Buick's 75 horsepower Valve-in-Head engine, built for hills. It cannot tell you how thoroughly the Buick "Sealed Chassis" and the Buick "Triple Sealed" engine will protect Buick performance on dusty, gritty roads.

And it cannot even hint of the mental ease you will enjoy, with Buick Authorized Service "just around the corner," everywhere in America.
