BASE BALL STARTS APRIL 9 AT HOME

With the release of the baseball schedule Tuesday afternoon by Graduate-Manager Wm. R. Howell, it was disclosed that Washington College will engage the University of Maryland nine on Washington Field, May 15. Not since 1913 have the two institutions met in Washington College territory. Fans of the Eastern Shore have been waiting, therefore, for a period of thirteen years to witness these two State rivals in action in some branch of sport on the Eastern Shore.

Only twelve games have been scheduled for the baseball season, which will open with Blue Ridge, on April 9, at Chestertown. The season is due to close June 12, with the annual game against the Alumni.

Although the scheudle does not show any games with Eastern Shore League games pending with Dover, Salisbury, Easton and Cambridge will be played. Manager Howell has dates pending this season between May 15 and 29 with the above-named clubs.

Coach Kibler seems optimistic about the material he will have to deal with this season and, although not making any preseason predictions, expressed his anticipation of a good year on the diamond.

The schedule:

April 9—Blue Ridge, at home.
April 17—Calverton, at home.
April 22—Maryland, at College Park.
April 23—Mt. St. Mary's, at Emmitsburg.
April 30—Loyola, at home.
May 8—Mt. St. Mary's, at home.
May 10—Georgetown, at Washington, D. C.
May 11—United States Marines, at Quantico, Va.
May 15—Maryland, at home.
May 29—Blue Ridge, at New Winsor.
May 31—Western Maryland at home.
June 12—Alumni, at home.

SCHOOL NOTES

The principals of the first group high schools of Kent County met last Monday evening and decided to enter again this year the High School Public Discussion League that is sponsored by the University of Maryland.

Mr. C. S. Richardson of the Extension Service Department of the University is chairman of the committee in charge of the administrative work of the league, the other members being Messrs. Samuel North, E. Clark Fontaine and Wm. K. Klingaman, District High School supervisors of the State of Maryland.

The great majority of the high schools in Kent and the other counties of the state have joined the league each year since it was first organized six or eight years ago. Much good has resulted not only to the pupils of those schools but to the patrons as well.

The subject for discussion this year is one in which everyone should be vitally interested inasmuch as it concerns the systems of public education throughout the entire country. It is "Resolved: That Congress should enact House Bill No. 5000 providing for a Federal Department of Education."

The date on which the debate is to be held in each of the three Kent County high schools that have joined the league is Friday, April 16th, 1926.

Each school will be represented by two teams, an affirmative and a negative. The affirmative team will remain at home and the negative team will go away. The line-up of the schools is as follows:

Chestertown negative at Rock Hall.
Rock Hall negative at Galena.
Galena negative at Chestertown.
