KENT COUNTY EXPENSES COMPILED

School officials of Kent county have compiled a number of important statistics covering the expenditures for the public schools of the county which is new and interesting information for the majority of taxpayers. These statistics show that during the last year there was spent for the maintenance of the white and colored schools $148,921.20, which was 44.4 per cent of the total expenditures for the entire county government.

It cost the taxpayers $46.95 per pupil in the white elementary school $143.50 in the white high schools, $18.98 in the colored elementary schools and $81.60 in the colored high schools.

Kent ranked first among Maryland counties in the cost per pupil in the white high schools, seventh in the white elementary schools, tenth in the colored elementary and sixth in the colored high schools.

Del-Mar-Va Association Wants Photographs

If you have been shooting a kodak, making films and prints of your section of the Eastern Shore, here is a chance to make your work count for the advancement of your community.

The Del-Mar-Va Eastern Shore Association needs clear, clean-cut photographs, the larger the better, of typical scenes, town and country views, waterways, vistas of improved roads, pictures of crops, crop planting and crop harvesting of all crops of historic spots and edifices, good homes of various classes; three masters, four masters and other water craft and scenes depicting marine occupations—crabbing, fishing, tonging and dredging oysters, etc.; chicken ranching, dairying, fruit orchards, berry and garden patches, etc., etc.

Only unmounted prints should be submitted, and on the back of each should be the title and description of the subject and the full name and address of the author of the picture. For such pictures as the Association selects for its use, it will pay not to exceed $1.00 per print; less, if in its judgment the photograph is worth less. In the case of broad panoramic pictures of outstanding merit, the Association will pay somewhat more if required. Public credit will be given to the author of each picture accepted for purchase by the Association, in addition to payment therefor.

To the photographer, whether he be amateur or professional, submitting the largest number of acceptable prints for use by the Association, a special prize of $25 will be awarded, in addition to the purchase price of the prints. Only one such prize is offered.

Pictures submitted for examination should be mailed to the "Publicity Director, Del-Mar-Va Eastern Shore Association, Salisbury, Maryland" in carefully boarded, wrapped packages, clearly marked with the return address of the author. They positively must be mailed flat and not rolled. Rolled pictures will not be examined for selection. In all cases wherein it is desired by the authors that unaccepted prints shall be returned to them, this fact is to be noted in a separate letter addressed to the Publicity Director.

Photographers will understand that their submission of photographs for purchase by the Association shall entitle the latter to make unlimited use of the print. No copyrighted pictures will be purchased unless the author waives his copyright rights.

The offer of the Association to purchase prints is limited for the period ebtween March 15 and May 1, 1926. Selection will be made promptly in the order in which received photographs requested to be returned by authors will be mailed back promptly at the expense of the Association.

AN APPRECIATION

March 9, 1926.

Kent News,
Chestertown, Md.

Dear Sirs—Through the courtesy of your paper I wish to extend thanks to G. Ellsworth Leary for scraping the road south of Rock Hall. This road was in an impassible condition and the good work accomplished by our public spirited neighbor is most commendable.

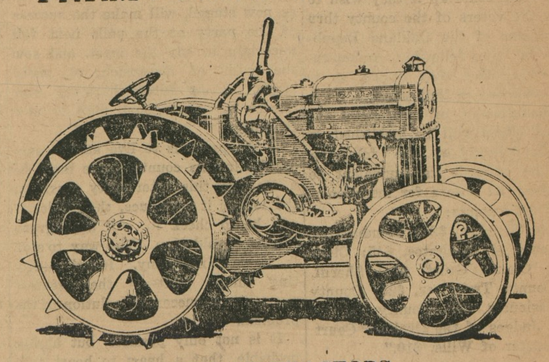

I am sure that all those who have occasion to use this road will join me in their appreciation.

FRED B. WESTCOTT.
