"Have a Camel"

No other cigarette like this was ever made

CAMELS brought the world an entirely new sense of smoking enjoyment. And the world gave Camels the largest patronage ever given a cigarette.

It was Camel quality that made Camel the largest selling cigarette on earth. That made it first and only choice with millions of experienced smokers. That caused Camel goodness to become a world triumph of cigarette contentment.

Into this one cigarette is concentrated the skill, the ability of the world's largest tobacco organization. Nothing is too good for Camels. No expense, no care is spared to make it the utmost in cigarettes. Camels are the choicest Turkish and Domestic tobaccos grown, masterfully blended to bring you their full, mellow goodness.

We know that you will like Camels if you will try them. To be sure, compare them with any other cigarette made, regardless of price. Smoke all the Camels you want—they'll never tire the taste, never leave a cigaretty after-taste.

No other cigarette can be like this one. No other can so wonderfully satisfy your taste. Have a Camel!
