FIREMEN'S SHOW STARTS REHEARSALS

150 Local Players To Take Part In "Melody Land" Second Annual Benefit — Wheeler Producing In Charge.

Rehearsals for "Melody Land," the Chestertown Fire Company's second annual benefit, which is to be presented at the Lyceum Theatre on May 17. 18, 19. started on last Monday evening, and are being held on every afternoon and evening preparing for the big novelty show.

The Wheeler Producing Company. who staged last year's big success, "Hip Hip Hooray" are again in charge, which assures another entertainment of the highest order. Over 150 local players are to take part in the production, one of the largest casts of local players ever assembled here, including Chestertown's best singers. dancers and comedians.

This year's show, which is all new will feature many novel and unique numbers rarely seen in an amateur performance, and gives promise of outdoing last year's big success.

The children. who were a big feature on last year's program, are again to have a prominent part, over 75 of the little folks appearing in a big fairy tale fantasy. entitled, "The Dolls House." the children appearing as the dolls of all nations. the dolls coming to life and performing as only real live dolls can.

Numbers by the adults, include "Melody Dreams" or The Music Box, in which several of our best soloists will impersonate the stars of the records. the soloists making their appearance from within a massive Victrola. "Melodies of the Wood" depicts life among a roving band of gipsies, with a very pretty love story running throughout the action of the scene, several principal solo parts and large choruses of gipsy men and women. "Melodies of Real Life" is a big rural number, featuring country songs and dances by the country kids. The comedy end of the show will be taken care of by the "Melody Band Minstrels" and all new minstrel frolic. with new songs, dances, and novelties by a large chorus of Chestertown's best men singers, dancers and comedians.

The Fire Boys are taking this means of raising some funds and are assured the hearty support of Chestertown and vicinity.

The reserved seat sale for "Melody Land" for all three performances. will open at Stam's Drug Store on Thursday, May 13. Seats may be ordered by telephone and will be held until 7 p. m. on night ordered for.

BASEBALL AT MASSEY

Saturday, May 1st, saw the open game of the Massey ball club. Massey and Millington opened the local season on the former's diamond, Massey defeated Millington by a one-sided score of 15 to 0. Groff did the mound work for Massey and hurled in midseason form. He has perfect control and had the Millington boys eating out of his hand during the entire game. He not only had blinding speed but a sweeping curve and perfect control. The Millington boys only collected three hits off Groff and only one man reached second We are sure glad to have Groff back with us. The boys gave him an exhibition of their gladness to have him back by the air tight support. They handled thirteen chances and made two slight errors. These were not costly. Groff got the rest of them with thirteen strike outs. Besides pitching a fine brand of ball Groff collected two hits out of four trips for an average of .500. He drove in a run and also lug one of his own across in the fifth frame. Moffett garnered two extra base blows, a triple in the third scored two runs and a double in the fourth brought in three more. He also scored three runs. Godwin started for Millington but was relieved in the sixth by Nelson Davis.

TOWN COMMISSIONERS SUBMIT THEIR REPORT

The annual report of town commissioners furnishes information for taxpayers. The total receipts including an annual appropriation of $2,000 by the County Commissioners for road improvement, and $4,762.50 from the Water Board for payments on bonded indebtedness, were $26.219.12. The total disbursements were $24,383.73.

The largest items of expenditure were for the payment of bonds which fall due everp year. which with interest amounted to $6.538.75; for work done on streets. $1,458.38; for curbs, ditches, etc.. $3,439.34; for salaries of day and night officers. $1002; electric lighting. $2.396.91, and hire of garbage carrier, $1.804. The board has also appropriated $840 for hose for the volunteer fire company, besides $138.69 for insurance on fire truck and the upkeep of the engine house.

The total assessment to town property is $1,850.000 and the annual tax rate 75 cents.

The bonded indebtedness is placed at $58,000, and the town owes $12,000 in notes given in payment for concreting Maple avenue and Priness street. all of which are secured by individual indorsements of taxpayers.

It is pointed out that when one examines the large number of new curbs and ditches which have been built during the past year the wonder is that a tax rate of 75 cents can be made to do so much besides keeping up the current expenses.

The commissioners are now at work upon a plan of street improvement during the year and it is certainly hoped they will accomplish something along this line. Pedestrians need sidewalks.

Left to right—MISS ROSA MICHAELIS, *New Orleans;* MRS. SARAH TYSON RORER, *Philadelphia;* MISS LUCY G. ALLEN, *Boston;* MRS. BELLE DEGRAF, *San Francisco;* MISS MARGARET ALLEN HALL, *Battle Creek; and* MRS. KATE B. VAUGHN, *Los Angeles.*

Six famous cooking experts agree

Pacific Coast, Gulf of Mexico, New England, and Lake Michigan! Six of the country's foremost cooking experts have just completed a rigorous test of the Perfection Stove.

THEY used every method of cooking from frying to baking, and were enthusiastic about the Perfection. Read what they say.

"Whether I broiled steak or French-fried potatoes, the results were fine," says Mrs. Rorer, famous Philadelphia cooking teacher.

Crisp Waffles

"My waffles were light and beautifully brown," says Miss Allen, director of The Boston School of Cookery. "They cooked on a hot flame, with yellow tips 1½ inches high above the blue area."

"I found the Perfection so dependable," reports Mrs. DeGraf, home economics counsellor. "I left a roast lamb in the oven for hours. The flame never wavered."

No Scouring Needed

"Eggs a la King and broiled tomatoes are delicious enough in themselves," affirms Miss Hall, nutrition expert, "but twice as delicious to the cook whose kettle bottoms need no scouring. Perfection's long chimneys burn every drop of oil before the heat reaches the cooking. No soot or odor."

"Using a Perfection is like cooking with gas," remarks Mrs. Vaughn, domestic science expert. And Miss Rosa Michaelis is of the same opinion.

Tested Cooking Ability

These are just a few comments made by the six experts, satisfied with only the best cooking equipment. They find the 1926 Perfection fulfills every cooking requirement.

What does it mean to you?—*That when you buy a Perfection you get a stove with cooking ability tested and proved by experts.*

Clean, Even Cooking Heat

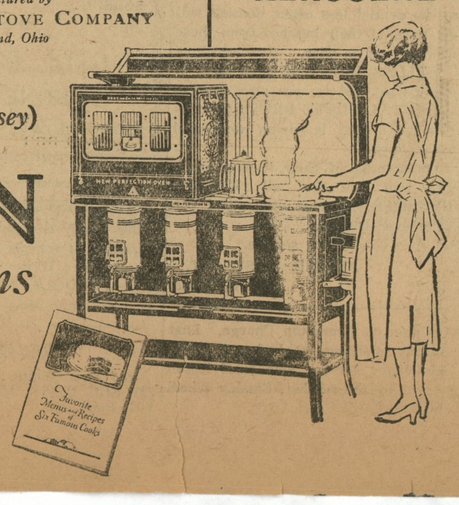

The long chimneys of the Perfection burn every drop of the oil before it reaches the kettle. Thus you get clean, even cooking heat free from soot and smoke.

You can be doubly sure of this sort of heat when you use a pure water-white Kerosene that burns cleanly, evenly and without odor—"Standard" Kerosene. It is specially refined.

All impurities that might cause smoke or leave deposits of soot are removed. This assures the maximum amount of heat. By sticking to "Standard" Kerosene you are sure of best results from your Perfection. Insist on it. You can buy it anywhere.
