Women teachers in Wicomico county schools who are married during the school year will not be reappointed after the final semester of that school term, according to a ruling of the County Board of Education adopted Friday. This regulation will not apply to teachers now married, who will not be permitted to continue. The action of the Board, Superintendent James M. Bennett said was prompted by criticism of the school officials upon the score of not having sufficient vacancies to appoint Normal School graduates to positions in the county.

Sitting pretty and no mistake!

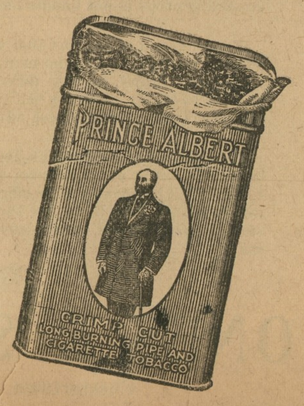

LIKE the chap in the song, I'm sitting on top of the world. And it's not a bad world when you look at it from all sides. I've hit some rough spots, but managed to keep my seat. I want to let it be known that the road has been a heap smoother since I discovered Prince Albert. Here *is* tobacco!

My old jimmy-pipe and Prince Albert and I go along just singin' a song from morning to midnight. Whenever I get to feeling low, I take out my pipe, tamp a load of good old P. A. into the muzzle and light up. Old Man Trouble takes French leave the minute that wonderful smoke starts up the stem.

Prince Albert is friendly in spirit and friendly in fact. It never bites my tongue or parches my throat. They tell me the Prince Albert process fixed that for me and millions like me. I only know that P. A. is cool and satisfying as spring-water on a hot afternoon and that it suits me to a T.

You're welcome to this leaf out of my book. If you're not smoking P. A., you're not getting full enjoyment out of your pipe. Just get yourself a tidy red tin of Prince Albert. Load up your old jimmy-pipe and light up. Nothing complicated about that, is there? Well, that's *my* formula. It always works for *me*.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

PRINCE ALBERT

—no other tobacco is like it!
