MASSEY PUTS ONE OVER ON CHESTEHTOWN CLUB

On Saturday, May 15, Massey defeated Chestertown in a closely contested game. Cornell on the mound for Chestertown was going along fine until the sixth inning when Massey got to him for four runs and got four more in the seventh. Outside of these two innings he was effective. The Massey club scored twice before these innings. Groff was doing the mound work for Massey. He also ran into a storm of basehits in the sixth which amounted to three runs. Groff was a trifle wild at times but was effective in the pinches. Ten of the Chestertown batters churned the air for three strikes bringing his strikeout record for the season to 23. While he was doing excellent mound work he has been doing some mean stick work leading the Massey Club with an average of .625. Groff and Moffett are the only two men on the Massey nine that haven't fanned so far this season. The Massey club has won two and lost no games this season giving them a percentage of 1000. The final score on Saturday was 10 to 5. The batting averages of the Massey club including Saturdays game are: Groff .625, Morgan Rowan .500, Haley .500, Peacock .445 Moffett .429, Gibbs .429, Pinder .286, G. Newnam .125, L. Newnam .112.
