Rnral Women's Short Course

The Fourth Annual Short Course University of Maryland from June 14th to 19th inclusive.

Plans are being made by women all over the State to attend this course. Fifty-six rural women of Maryland are eligible toreceive certificates, testifying to four consecutive years of attendance. Exercises incident to the presentation of these certificates will be one of the interesting and impressive features of the Shore Course.

The University looks upon this Short Course as being one of its most important activities, and this year's commencement is again to be held one week sooner, in order that the dormitories may be in readiness by Monday noon, June 14th.

In addition to the educational program for the week, plans have been made for ample recreation. The musical feature of the week will again be in charge of Dr. H. G. House, Director of Choral Music at the University of Maryland. Dr. House has the rare faculty of inspiring groups of singers and making the musical feature of the program highly enjoyable.

All Kent women who desire to take this Course would secure registration cards and general information from the Home Demonstration Agent Susan V. Hill, on or before June 1st.

The cost of this Course is so little that no woman who can plan to be away for five days, can afford to miss it.

WOLVERINE
The 1,000 Mile Shoe

Made of horsehide through and through

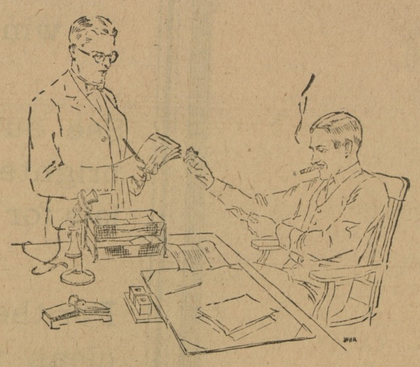

Ask for Stock No. 779

It dries out soft as an old glove!

This is the famous Wolverine 1000 Mile Shoe, made of horsehide through and through. A shoe that wears and wears and that stays soft, no matter how you wet it. This is due to the special double tanned Cordovan horsehide of which it is made. A leather that wears like iron and always remains soft even after it gets a real soaking in water, mud or slush. The lightest weight 1000 mile shoe made—no double leather anywhere, in upper or sole, yet made in Blucher style, Goodyear welt sewed and brass reinforced. Made to fit narrow feet as well as wide. Widths C, D, E. Good looking enough for every day wear, tough enough to stand any work job.

A TELEPHONE IN EVERY HOME

"Looks as though we'd have to stay down tonight, Tom. Want to go out to dinner?"
"Sure. Just wait a minute till I call Hazel and tell her I won't be home."

How about it, Dick? Did you call too, and save your wife annoyance and anxiety—*or isn't there a telephone in your home?*

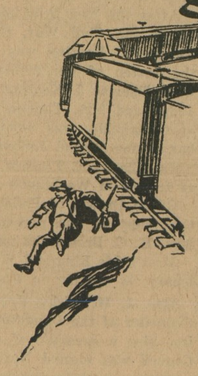

The telephone, besides being an invaluable convenience, is a great promoter of domestic tranquility. Your wife will appreciate the feeling of being in touch with you at all times that the telephone will bring.

There's a class of telephone service to fit your pocketbook. *Ask our Business Office about it.*

THE CHESAPEAKE AND POTOMAC TELEPHONE COMPANY

Bell System

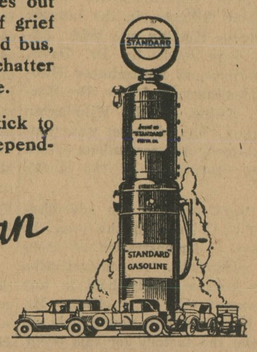

"A rolling stone gathers no moss"

"It's always seemed to me that these motorists who go shopping around and always buying any old gas never get anywhere at all. They never accumulate any dividends of motoring satisfaction. Instead, nine cases out of ten, they just bring a lot of grief home to roost: no pep in the old bus, no pull on the hills—always a chatter and a complaint from the engine.

"In the long run, it pays to stick to "Standard" Gasoline—always dependable."

says Dealer Dan

"STANDARD" GASOLINE

ALWAYS DEPENDABLE

Firestone TIRE DEALERS
Serve You Better
We Are Tire Specialists

Our experience and equipment help you get the most mileage, comfort and safety from tires.

Gum-Dipping—the only known method of insulating every fiber of every cord with rubber—gives the strongest construction possible. And the special Steam-Welding process makes Firestone tubes both leak-proof and long-wearing—further increasing the life of the tire.

The proof is demonstrated by the biggest taxicab and bus fleets—by race champions and in everyday service of hundreds of thousands of motorists.

Let us see that your tires are properly mounted, inflated and cared for.

We repair your tires, when necessary, by the new and better Firestone method.

Equip your car with these famous Gum-Dipped Cords and Steam-Welded Tubes. ***We will take your old tires in trade,*** giving you liberal allowance for unused mileage.

We Also sell and Service OLDFIELD TIRES
AT THESE LOW PRICES
