PARDEE CASE DECIDED

Judge Walsh in an opinion handed down by the Court of Appeals on June 11th, affirmed a judgment for $2,000 in favor of Laura Alice Pardee against the County Commissioners of Kent County. Mrs. Pardee was injured on the 19th day of August, 1923, when the steering gear of the automobile in which she was riding was broken by reason of the automobile plunging into a hole on a public road. The automobile turned with Mrs. Pardee beneath it off a bridge near St. James Church in the Worton district.

The case was tried before a jury in Cecil county who awarded a verdict of $2,000 on March 14th, 1925. Thereafter on September 29th, 1925, the defendant's motion for a new trial was overruled. The County Commissioners appealed and the case was argued in Annapolis at the April term of Court. W. W. Pardee, the husband of Mrs. Pardee, has instituted proceedings which have not been determined to recover for the loss of his wife's services. The Pardees are represented by Messrs. John W. Barroll and Morris K. Barroll.

ORGANIZATIONS AND MOTHERS BOTH AGREE

Health of School Girls Important

The Girl Scouts and Camp Fire Girls are two national organizations, working side by side in the cause of healthy, happy, intelligent womanhood; training the minds of eager girls for greater service, training their bodies for the destiny that shall be theirs.

All honor to them!

Wise mothers like Mrs. Alice Louthan urge their daughters in their early teens to take Lydia E. Pinkham's Vegetable Compound.

Mrs. Louthan says—"I gave my fifteen-year old girl Lydia E. Pinkham's Vegetable Compound, and it did her a wonderful lot of good. She was out of school for four months. I read the advertisements of the Vegetable Compound, and since she has taken it she has improved and has gone back to school. I recommend the Vegetable Compound to other mothers with girls who are not as strong as they should be."—MRS. ALICE LOUTHAN, Route 2, Charleston, Illinois.

Some girls in the fourth generation are now relying on Lydia E. Pinkham's Vegetable Compound.

In the Kitchen with 6 Famous Cooks

Expert Pacific Coast Cooks Give Choice Recipes for Unusual Desserts

(Editor's Note: This is one of a series of cooking articles contributed to this paper by six famous cooks.)

There never was a woman who kept house who didn't want her cooking to have an individual touch. And the making of desserts offers plenty of opportunity for expressing this individuality.

Recipes for several delicious desserts are given in this article by Mrs. Belle DeGraf, San Francisco, home economics counsellor, and Mrs. Kate Brew Vaughn, domestic science director, Los Angeles.

Santa Clara Dumplings

"For a quickly made dessert, I recommend Santa Clara Apricot Dumplings," says Mrs. DeGraf. "It takes less than half an hour to prepare them."

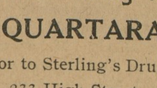

Here is Mrs. DeGraf's recipe:

- 1 cup sifted flour
- 2 teaspoons baking powder
- ½ teaspoon salt
- 3 tablespoons shortening
- ½ cup milk
- 1 cup strained, stewed apricots

Sift dry ingredients together. Rub in shortening, then gradually add milk, mixing with a flat knife. Turn on to a slightly floured board. Roll out in rectangular shape about 4 inches wide and 8 inches long. Cover top of dough with apricot puree, then roll up like a jelly roll. Cut off slices an inch thick, and place cut side down in greased baking dish. Bake in a hot oven about 15 minutes. Serve with lemon sauce.

Make the lemon sauce by mixing ½ cup brown sugar, ½ cup white sugar, 1 tablespoon flour, juice and grated rind of one lemon, and 1 tablespoon butter. Bring to boil, and cook for five minutes.

Dumplings and sauce should be served hot.

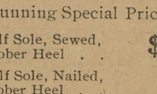

With Oranges

Another interesting fruity dessert for which Mrs. DeGraf provides the recipe is Orange Custard Pudding.

- 1 cup sifted bread crumbs
- ½ cup milk
- 1 cup orange rind
- 3 eggs separated
- ½ cup sugar

Add the grated rind of 1 orange to the juice. Use soft bread crumbs. Sift through a coarse strainer. Add milk and orange juice. Beat eggs separately. Add sugar to yolks and then add to the custard. Mix well, then fold in stiffly beaten egg whites. Pour in pudding dish. Set dish in a pan of hot water and bake until firm in center, about 30 minutes, in a moderate oven, 360 degrees Fahrenheit.

Pineapple, Too

Hawaiian Pineapple Pudding is a simple dessert which is very pretty. Mrs. DeGraf makes it with one cup rice, 1 cup grated pineapple, 2 cups whipped cream, and ½ cup powdered sugar.

Wash rice well. Add 2 cups of cold water. Cover closely and set over a low flame, cooking for about 20 minutes, or until all the water is absorbed. When cooked, remove from fire, sprinkle with salt, then cover and let stand 2 or 3 minutes. Turn into a bowl and set aside to

"If men did the cooking they would insist on a good stove"

Where is the woman who does not agree with Mrs. Rorer's statement? Yet why will so many women put up with an inefficient stove day after day?

Sarah Tyson Rorer

MRS. RORER, famous Philadelphia cooking expert, and five other famous cooks who recently conducted a practical test of the Perfection Stove, agree that good cooking results depend to a great extent on a *good stove.* They agree, too, after critical, exhaustive cooking tests that the Perfection is a mighty good stove. Their comments on the Perfection's performance will give you some idea of what men would demand, and what experts *do* demand of a stove.

Easy operation. "I like equipment which is easy to work with," said Mrs. Belle DeGraf, San Francisco, home economics counsellor. "And the Perfection *certainly* is. It lights at the touch of a match. And the heat is regulated by a simple turn of the wick."

Adaptable, too. "The Perfection proved its adaptability to me," commented Mrs. Kate B. Vaughn, Los Angeles, home economics director, "by performing many cooking operations at the same time—frying, baking, boiling, and broiling."

Ample heat supply. "And," said Miss Rosa Michaelis, famous New Orleans specialist, "there is no lessening of heat, regardless of how many burners are lighted. Each is an independent unit."

Dependable flames. "That's true," remarked Miss Lucy G. Allen, of the Boston School of Cookery. "And the flames stay just as you set them. They do not creep."

And clean. "There's no soot or odor, either, when you cook on the Perfection," added Mrs. Rorer. "The efficient long chimneys burn the oil completely before the heat reaches the utensils."

Safe and economical. "All these points recommend the Perfection," said Miss Margaret A. Hall, Battle Creek College of Home Economics. "And, in addition, it is safe and economical in operation. What more could anyone ask of a stove?"

* * *

In other words, the Perfection meets the high standards of the six critical cooks. It will meet yours, too. See the 1926 Perfections at any dealer's. All sizes from a one-burner model at $6.75 to a five-burner range at $120.00. *Every woman who cooks deserves a good stove.*

Clean, Even Cooking Heat

The long chimneys of the Perfection burn every drop of the oil before it reaches the kettle. Thus you get clean, even cooking heat free from soot and smoke.

You can be doubly sure of this sort of heat when you use a pure water-white Kerosene that burns cleanly, evenly and without odor —"Standard" Kerosene. It is specially refined.

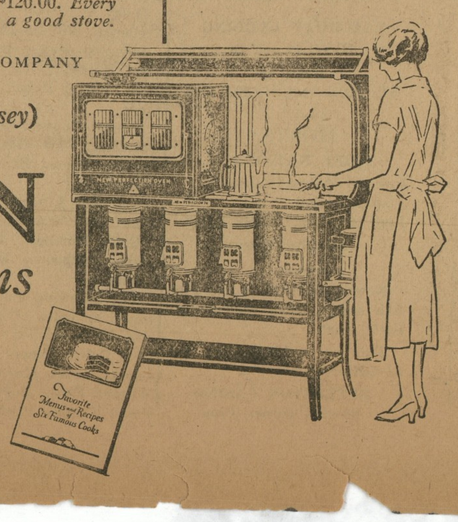

All impurities that might cause smoke or leave deposits of soot are removed. This assures the maximum amount of heat. By sticking to "Standard" Kerosene you are sure of best results from your Perfection. Insist on it. You can buy it anywhere.
