WRIGHT WINNER AT BETTERTON

N. A. Wright, of Wilmington, Del., by breaking 99 out of 100 targets Friday won the Betterton championship at the final day's shoot of the Betterton Gun Club. Wright was presented with a handsome silver set which he in turn presented to his wife.

Other Wilmington gunners also figured prominently in the shoot which was forced into postponement for one day on account of the heavy rains Thursday.

S. Evans, of Elkton, won the 100-target yardage handicap event after a shoot-off with J. Hill with whom he finished in a tie, each getting 90. Evans broke 20 straight in the shoot-off while Evans could get but 18.

The doubles event was won by B. Yonder and F. Eshman, of Chestertown, and C. L. Walker, of Wilmington, finished in a tie for second. Walker broke 95 in the championship event and Henry Winchester, Wilmington pro' got 96. W. B. Cochran, of Kennett Square, was one of those tied for second in the main event with 98.

ROCK HALL PROUD OF ITS HYDRANGEAS

Rock Hall has this year become the admiration of hundreds of visitors and tourists because of its magnificent and almost unrivalled display of hydrangeas, by many held the queen of garden flowers.

Scarcely a home with a yard in the pretty bayside town is without a gorgeous display of blooms, mammoth blue and pink blossoms, which are striking in their beauty. The display is at the height this week and in Mr. Schmidt's yard are three bushes which will measure fully 12 feet in diameter, each literally covered with mammoth blooms, some of them nine inches across. Hundreds of people have been to this home to view the display.

IN MEMORIAM

In loving memory of my dear father, Louis Schuler, who died October 20, 1911, also my mother, who died July 23, 1915, and brother, who died February 15, 1919.

Home, Sweet Home, used to be;
But now there is lonesomeness there,
No father or mother or brother
To greet me whenever I go there.
Some may think I forgot you,
Though on earth you are no more,
But in memory you are with me,
As you always were before.

Loving daughter, Mrs. J. W. Dickerson. 1t

WALTER TURNER IS CHARGED WITH CASE OF INCENDIARISM

Sheriff W. W. Goodman and State's Attorney S. Scott Beck are investigating the case of Walter Turner, colored, who is being held in jail here on the charge of having set fire to the stables on the J. Walter Skirven farm tenanted by Grover Coleman, two miles from town some nights ago. Circumstances leading to the arrest of Turner the past week furnished by both Mr. and Mrs. Coleman seem to clearly indicate that Turner knows more about the fire than he has yet admitted to the authorities who have made efforts to secure a confession from him since his incarceration. Coleman told the sheriff of threats which Turner made to him several days before the fire, because Mr. Coleman took from the Negro an automobile which he had stolen together with practically all the tools from Mr. Coleman's car, the Negro saying that he would get even with Coleman for taking the car away.

Mrs. Coleman has also stated to the sheriff that several nights before the fire she saw a man whom she feels satisfied was Turner acting suspiciously about the barn, and she drove him from the place. Turner has refused to say anything regarding his whereabouts either prior to or after the fire, but professes to know nothing about the matter. It is quite probable that the State fire marshal will be called into the case in order to connect Turner with the burning of the buildings, and it is the general opinion of Mr. Coleman as well as the authcrities here that some one fired the buildings which caused a loss of some $3,000.

Epsom Salts Best for Liver and Blood
New Sugar Coated Tablet Form Easy to take—called Dill's Epso-Tabs
The action of Epsom Salts in the human body as a cleanser and purifier has long been known and recognized by the best physicians and hospitals. But on account of the terribly upsetting effect, it has been difficult to get people to take them.
Now science has perfected a sugar coated tablet of Epsom Salts compound. It also has an extra coating of Salol—the great intestinal antiseptic, which quickly exerts a wonderful effect both on the liver and entire intestinal tract.
New fangled physics and habit forming laxatives can now be avoided—their effects have always been doubtful and unsatisfactory.
Just take good old Epsom Salts compound in the new tablet form. Ask your dealer or druggist for Dill's Epso-Tabs. This will insure your getting the genuine Salol coated tablet. The Dill Company, Norristown, Pa.
