FEELING LOTS BETTER NOW

Writes Ethel May Snider Who Used Lydia E. Pinkham's Vegetable Compound

Hartford City, Ind.—Doing housework and taking care of a sick woman proved to be too much for Ethel May Snider, R. R. 1 of Hartford City, until she started taking Lydia E. Pinkham's Vegetable Compound.

Overwork had so undermined her health that she had to give up all outside work, and when she saw this medicine advertised in the "Star" and other papers, she went to druggist and got a bottle of Lydia E. Pinkham's Vegetable Compound. She took it regularly, was greatly benefited and now feels very much better.

Ethel May Snider's experience is similar to that of thousands of other women in all walks of life, who have sent testimonials to the Lydia E. Pinkham Medicine Company of Lynn, Mass.

Among those who praise the Compound are young girls who have been enabled to attend school regularly —working girls who have gained strength and endurance so necessary to them, housewives and mothers who have found that the tonic-effect of the Compound has enabled them to perform their daily tasks more easily.
