TO SAVE WILD DUCKS

Sportsmen in Kent county who have the interests of the supply of wild game at heart have begun a war upon bald eagles, which are infesting the woods adjacent to the breeding places of wild ducks, many of which build their nests in marshes along the river shores and rear their young between shooting seasons.

In one section of the county, in the vicinity of Ringgold's Point in Chester river, Mr. W. B. Strong says eagles have become so numerous that they have become a real menace to the propagation of wild ducks, as it has been found that broods of young wild ducks are being practically exterminated by them. A party of sportsmen from Chestertown went to Ringgold's Point the past week on gunning expedition for eagles which infest the woods there and, after a strenuous search, one of the party succeeded in shooting one of the birds which measured 7 feet 2 inches from tip to tip of wings, and was brought to Chestertown, where is was placed on exhibition.

Crumpton Wins From Millington.

Crumpton waltzed off with the long end of what might be considered a running race. The two aggregations, Crumpton and Millington clashed for a regularly scheduled game on the Queen Anne's and Kent County Church League. The score was 11 to 10 in favor of the Queen Anne's aggregation. Godwin was in rare form for seven innings allowing but five hits and striking out 15. At the beginning of the seventh after loading the bases with hit batters he was relieved by Rogers. Rogers, the slow ball pitcher, can usually come through in a pinch. He did then by allowing but one hit in two innings and holding Millington to within one run of tying the score. The Crumpton boys seemed to have their bats working by collecting 23 safe blows most of which were for extra bases. N. Davis pitched for Millington.
