SUMMER CONFERENCE FOR RURAL MINISTERS

Washington College has been the scene of one of the most delightful, interesting and instructive events in its history. It has been a summer conference for rural ministers.

It was inaugurated Tuesday morning under most favorable circumstances and there is every indication it will become a permanent part of the activities at Washington College each year.

Dean J. S. W. Jones, of the college faculty, returned Saturday from London, where he took a summer course in mathematics at Cambridge University, and has been assisting President Titsworth in looking after the details of the conference.

About fifty ministers enrolled in the various courses, and were comfortably quartered in the college dormitories. The new cafeteria could not be made ready for the accommodation of the ministers, but the college management made ample and convenient provision for supplying meals.

Monday evening a reception was held in honor of the ministers in the college gymnasium.

Dr. Mark A. Dawber, of Philadelphia, superintendent of the board of missions of the M. E. Church, was the dean of the faculty of instruction and in charge of the work. The sessions in the evening were open to the public, and Dr. J. Nelson Norwood, of New York, was the speaker.

The News wishes to add its congratulations to President Titsworth for this new program. The lectures were grand, elevating and instructive. The fraternal spirit, beautiful and all co-operated in making the conference a big success.

Rev. C. L. Atwater added much to the tone of the conference by arranging a holy communion service at 7 a. m. each day in Emmanuel Church. The sessions closed yesterday.

LOWER TAXES THE ISSUE

THE Organization in Kent County in its Principals published in the Kent News recently covered the important matters involved in this campaign. IN THE SIXTH PLANK OF THIS PLATFORM IS SUFFICIENT REASON FOR THE NOMINATION OF EVERY MAN ON THIS TICKET. It states:

"A business administration in every department of county government that will insure the lowest possible tax-rate consistent with sound business."

The Board of County Commissioners by their past action have proven their claims to support of every voter. Kent County today stands out prominent among the other counties of the Peninsula and State as having ONE OF THE LOWEST TAX RATES nor have the Commissioners been negligent in providing for the needs of the county. Look over this partial list on the Shore.

KENT	$1.31
CECIL	1.50
DORCHESTER	1.70
WORCESTER	1.40
QUEEN ANNE'S	1.47
Caroline	1.60
SOMERSET	1.68

This issue is not simply an argument for the future. For lower taxes can be and HAVE BEEN MADE AN ACCOMPLISHED FACT. The renomination and re-election of S. J. JOHNSON, T. RINGGOLD JONES and CAPT. WM. H. COOPER as Commissioners is a guarantee of continued good management and the prospect now is for even further reduction in the tax-rate next year.

The publication of the Levy gave in detail the figures and is an answer to all critics. Deeds are what count when compared with words. Not a flaw has been found by those who have diligently sought it and the 16 cents reduction stands as a monument to the County Commissioners and their assistants.

TAXATION is one of the biggest and most vital problems confronting the American people today, whether you are talking about the county, State or Nation.

THE Democratic Organization candidates are interested in this matter and are determined to keep up the excellent record won by the men in office in relieving the people of unnecessary burdens. People are more interested in a reduction of the tax-rate than the success of any political faction, and, believing this THE Organization candidates stand firmly back of this plank and mean to carry it through.

This pledge will be backed and aided by hundreds of citizens and business men in all walks of life who are ready to rally to the standard of lower taxes, when such a decrease in government costs is accomplished without affecting any improvement of governmental efficiency.

A bolt of lightning damaged the roof of George Cooper's dwelling on Kent Circle Monday night.

Lightning struck the back porch of Dr. H. G. Simpers, on Queen St. Chestertown, Monday afternoon and gave all in the house a slight shock.

NOTICE

The Orphans' Court for Kent county will meet on Wednesday next September 15th, instead of Tuesday September 14th. SAMUEL G. CALDWELL, Register of Wills. s11

POLITICAL CARD

Vote for Charles L. Gill for Sheriff and you'll never regret it. I promise faithful service.

s11 CHARLES L. GILL.

THE Organization in Kent stands for referring the expenditures of large sums of money to be spent for public purposes to the voters for their approval or rejection. By so doing, the interests of the tax-payers are safe-guarded and no burden shall be put on them without their consent.

KENT KOUNTY KLAN

For information apply to Box 62, Kennedyville, Md. jy17-tf

THE Organization had a scheduled meeting for Piney Neck last night at which the speakers were to be S. Scott Beck, candidate for State Senate, Ex-Senator Wm. F. Russell, Stephen R. Collins, candidate for State's Attorney, Charles L. Dodd, candidate for delegate to State Convention, Capt. Charles R. Kerr and Arthur H. Brice, candidates for the House of Delegates.

THE Organization Expect To Win In Kent County

Sentiment Throughout County Indicates That Beck And Running Mates Will Be Returned Victorious On September 14th.

With only a few days to go before the Democratic Primary Election on Sept. 14th, indications point to the success of S. Scott Beck, candidate for the State Senate, and his running mates in this contest. That the entire ticket which is headed by Mr. Beck will be nominated by substantial majorities is the belief expressed generally by Democrats in Kent County.

The fine type of candidates on this ticket have made a favorable impression upon the Democratic voters as a whole. The qualifications of the candidates for capable public service, and the clean, high-grade campaign that they have conducted, has made a strong appeal to the thoughtful Democrats of the county, with the result that their success in the Primaries now seems assured.

An indication that the Anti fight has crumbled, is the fact that the different candidates on the Anti ticket are "striking-out for themselves." This is taken to mean that they realize the impossibility of nominating their whole ticket and are now trying to save a few individual candidates from the wreck.

oo

THE Organization in Kent are the friends of the watermen and have always diligently looked after their rights and interests.

JUDGING TEAM SELECTED

The team which will represent Maryland at the National Dairy Show at Detroit, Mich., selected as a result of the boys' and girls' judging contests Wednesday, is composed of Walter T. Morris, Kent county; Austin Miller, Frederick county; Wilbur Morris, Jr., Kent county.

Should this team be declared the winner at Detroit they will go to England for the international cattle judging contest. Team prizes in the boys and girls' cattle-judging contest went to the groups representing Kent, Frederick and Montgomery counties. They were awarded first second and third prizes, respectively.

Kent's victory at Timonium makes County Agent Horace B. Derrick coach of the Maryland Team for the National Contest at Detroit.

CARNIVAL PARADE PLANS COMPLETED

Expect Biggest And Best Parade Ever Held On The Shore.

The final parade touches have at last been completed for what is expected to be, not only the largest but the best Carnival Parade ever held on the Eastern Shore.

Special invitations will be delivered Monday, Sept. 13, to 1500 school children—60 special letters to the Teachers of said pupils.

Invitations have been extended to the Town and County Commissioners. All Bank Officials and Directors of Banks, Business Men's Association, Chester River Yacht Club, Rotary Club, Chamber of Commerce, Polo Team and Lady Riders, Fox Hunters with their mounts, Roy Scouts from Betterton, Rock Hall, Millington and Chestertown, the Cavalry Boys, Town Officers of Millington, Rock Hall, Galena, Betterton and Stil Pond, and the Camp Fire Girls.

All children taking part in the parade will receive a souvenir of some kind which we trust will ever be remembered in their lives.

Now this great treat is not the only thing this Carnival will give and for those who attend on Saturday Night, September 11, will hear that great big Evening Sun Band. Do not miss this treat, you know what they did last year and they are better this year.

Our Thursday's Parade will not only have the features above mentioned, but you will see many fire companies in line, more than ever before. They, in quite a few cases, will bring their own band of music but that is not the only treat in music you will have, for the members of the Chestertown Fire Co., will have their own band out for the first time consisting of 45 pieces, all new. You will known them when they pass, they will be all white and a yard wide.

These boys are playing that night on $3,500.00 worth of instruments, being paid for by its own members and out of their own pockets, is not this a treat and one of which Kent County should be proud?

It is hoped every citizen of Kent County, every reader of this paper will appreciate such efforts. They deserve the support of every citizen. They are the youngest band on the Shore. The largest band on the Shore, and a record of 7 nights rehearsal to accomplish what no other band master has done with a new band, many of whom never played in their life.

These boys are at times criticized and lack support of some of our citizens, but they are Fire Fighters and never hold anything up their sleeve. Why when the electric storm occurred last Monday night they were all ready to come and answer the summons, anywhere will do for them.

Every electric storm keys them up waiting for the siren to blow, but thanks to goodness it did not sound Monday night and yet they were ready. Who knows when or where the next call may be from? Support them, back them up and above all lend your help.

Parade Route And Places Of Assembly

School children, Boy Scouts and Camp Fire Girls will assemble at the High School Grounds, Chestertown, at 6.30 p. m. Thursday, Sept. 16th.

All Fox Hunters, Sheen's Cavalry, Polo Team with Lady Riders will assemble at Pennsylvania Railroad Station, Cross street, 6.30 p. m.

All Civic Bodies, Business Men, Bank Officials at Fire House at 6.30 p. m.

The above bodies will proceed promptly at 7 p. m. to connect with all visiting fire companies on West High street, between College avenue and Kent Circle or Kent street, from which point the entire parade will start and proceed down High to Water, to Queen, to High street.

At the small park opposite the Court House, the Children will be taken from the line and assemble in a body to be allowed to view all the engines and Firemen. Their band will be with them all the time, playing as the parade passes them.

No parking or crowds will be allowed near the children and this space will be roped off for their sole benefit and comfort.

CRUMPTON DEFEATS LEADERS

Crumpton took a fast played game from Worton on Saturday last, the first defeat to come to the Kent aggregation. The game was interesting throughout. The score was 0 to 0 until the fifth inning when Crumpton scored one. Worton was unable to score until the seventh inning. Godwin was in good form allowing Worton but 3 hits and striking out 14 batters. Two of Worton's hits were collected by Cornell. Crumpton collected seven safeties from Williams and Loller. Loller replaced Williams after Crumpton had gotten two runs, but that seemed to make no difference to the Crumpton batters for they soon shoved one over on Loller.
