## New Company Organized

Organization of the Del-Mar-Va Mortgage Company at Salisbury last week has created Peninsula-wide interest and judging from general comment the new company is not only meeting with popular favor but will become an important and substantial factor in the development of the Peninsula.

The Del-Mar-Va Mortgage Company, incorporated under the laws of Delaware with an authorized capital of $500,000, has as its primary purpose a means to provide convenient and prompt scource of financial accommodation to those who are coming to the Peninsula for permanent residence. Briefly, the company will loan money on first mortgage on either farm or city property. The Mortgage Company will in no way interfere with existing building and loan associations and leave banks free to care for direct commercial needs.

So popular has been the plan of the new company that the $100,000 of authorized stock offered was immediately subscribed. Less than $100 was expended for organization and probably the most representative group of business and professional men on the entire Del-Mar-Va Peninsula are listed on the Board of Directors and have subscribed to the Mortgage Company's stock.

At the organization meeting Dr. G. Layton Grier, of Milford, Del., was elected president; Hooper S. Miles, of Salisbury, Md., vice president and general counsel, and Charles M. Freeman, of Salisbury, was elected chairman of the Board of Directors.

**BETTING ON ELECTIONS**

The attention of all persons is particularly called to the following sections of 36 Code of Public Laws of Maryland:

Section 45. No person shall make any bet or wager on the result of any election to take place in this State.

Sec.48. Any person offending against the last preceding section shall be liable to indictment by the Circuit Court if the offense be committed in any county, or in the Criminal Court of Baltimore, and upon conviction shall be fined not less than fifty nor more than five hundred dollars, to be paid to the State for School Fund.

Sec. 48. Any deposit of money in any part of the State as a wager or bet upon elections in this State or elsewhere shall be forfeited and paid over to the County Commissioners of the county where deposited for the use of the county, and if deposited in the city of Baltimore, to the Mayor and City Council.

WILLIAM W. GOODMAN, Sheriff.

**INSTRUCTIONS TO VOTERS**

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, in the square provided thereof, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate square a cross-mark (X) after the answer you desire to give. You should be careful to make no mark on the ballot other than the cross-marks within the squares.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can any voter occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his or her ballot must make affidavit to that effect, if he or she desires assistance. The two polling clerks, after such affidavit has been made, can accompany him or her into one of the compartments and there mark his or her ballot as he or she instructs them, marking only the names of the candidates whom he or she shall name. The clerks are not allowed to read the ballot to him or her.

## T. ALAN GOLDSBOROUGH

MEMBER OF CONGRESS

CANDIDATE FOR RE-NOMINATION

The Easton Star-Democrat wrote the Hon. Finis J. Garrett, Minority leader of the House of Representatives, the Honorable John N. Garner, a member of Congress for 24 years, senior Democrat on the Ways and Means Committee and principal author of the 1923 tax reduction law, and the Hohorable Cordell Hull, one of the leading authorities in the legislative bodies of the world on tariff and economic questions, asking their estimate of Mr. Goldsborough's standing and service in Congress. The following replies were received:

The Easton Star-Democrat,

Gentlemen:

Your letter of August 6, stating that you would appreciate my estimate of the standing and service in Congress of the Hon. T. Alan Goldsborough, just received.

I take pleasure in saying that Mr. Goldsborough is one of the ablest and most efficient members of Congress, either Republican or Democrat. He is attentive to the office, painstaking and studious. He usually exhausts any subject he undertakes to investigate, and the information he gives to the House on the subject is complete.

I have learned to admire his philosophy of government, and have great confidence in his judgment. In my opinion he is a valuable man in the House of Representatives.

With kindest wishes, I am

Very cordially yours,
Jno. N. Garner.

The Easton Star Democrat,

Gentlemen:

I am in receipt of your favor stating that you would appreciate my estimate of the standing and service in Congress of the Hon. T. Alan Goldsborough, representative from the first Maryland District.

It is a pleasure to reply to this letter. Mr. Goldsborough, although his service has been comparatively brief, stands very high in the estimation of the members of Congress. He is a member of the very important committee on Banking and Currency, and in this work has rendered most valuable services to the country. Mr. Goldsborough is thoroughly grounded in the fundamental principles of government; he has a most excellent mind and is assiduous in his labor and study; he is a credit to the District and a help to the Nation.

Very respectfully yours,
Finis J. Garrett.

COMMITTEE ON WAYS AND MEANS
HOUSE OF REPRESENTATIVES
WASHINGTON, D. C.

Carthage, Tenn., Aug. 16, 1926.

Editor Easton Star Democrat,
Easton, Maryland.

Dear Sir:-

Answering your letter of 6th inst., to hand in my absence, requesting my estimate of the standing and service in Congress of Hon. T. Alan Goldsborough, of the First Maryland District, I would say that I have had occasion to observe the record of service of Mr. Goldsborough since his entrance in Congress. From the outset he began to attract the attention of the leading members of the House. The fact that Mr. Goldsborough for sometime has been a member of the great Committee on Banking and Currency offers the best evidence of the remarkable progress he has made and of the high estimate placed upon his worth and service by the membership of the House. But a small percentage of the ablest and oldest members of the House succeed in securing the high Committee rank which Mr. Goldsborough for sometime has held. I consider him among the ablest and most useful members of the National House of Representatives. It is most gratifying to be able to testify to Mr. Goldsborough's uniform record of loyalty to the best interest of every class of persons and of legitimate business.

Very sincerely,
CD/AS
