Democratic Primaries

The News editors join with the hundreds of readers in drawing a sigh of relief that the Democratic primaries are over. It has been a long and arduous campaign with various contingencies and different situations to solve. Both sides put forth their best efforts and now bow to the will of the thousands of voters who went to the polling places and recorded their desires and choice. THE Organization came through with flying colors winning the Senator, member of the House, Register of Wills, Treasurer, Sheriff, State's Attorney, Two County Commissioners, Three members of the Orphans' Court, all the members of the State Central Committee, Delegates to the State Convention.

The News feels a just pride in the conduct and management of the campaign in that there was as little evidence of bitterness and personal attack as in any political fight during the past twenty years. Attention has been directed to the character and fitness of THE Organization candidates rather than attacking the opposition and, as is so often done, berating theother fellow hoping thereby to make friends. A discerning public draws its conclusions and acts upon them.

The News congratulates the party on having such a splendid ticket for the voters to pass upon at the coming election. Kent county has nearly 4,000 Democratic voters according to the test of Tuesday which means that the ticket here should win over any Republican ticket by over a thousand.

oo

There are now no Antis nor Organization factions in Kent. Both have come out of Tuesday's contest as one great party of Democrats ready to meet the foe.

x

Shallcross will make a splendid candidate for Clerk of the Court and has the support of all regardless of faction.

E. C. Bowers is some hustler and will add to the strength of the ticket as a whole. He won over a strong man, Captain Kerr.

x

Charles D. Wood came next to T. Ringgold Jones in vote getting and has had experience in the County Commissioners' office. He will make a good man with Jones and Johnson.

Capt. Wm. H. Cooper takes his defeat like a man and is for the ticket from top to bottom. So is Page Gale. Capt. Kerr and all other defeated candidates as far as we can learn. The tickets were made up of good Democrats who believe in party success first.

Hon. T. Alan Goldsborough received a splendid vote in Kent and on the Shore. This was a rebuke to the city politicians who attempted to tell the Shore what to do.

The platform upon which THE Organization won in Kent will be carried into the campaign this fall, and the News asks all voters to rally around it and get up on it.

Gov. Ritchie received a flattering endorsement in Kent.

Rock Hall showed its loyalty as did Chestertown, Fairlee, Betterton Pomona, and other sections of old Kent.

SIX INJURED IN ROAD SMASH

Mrs. Sarah Garton, aged 65 years, of near Millington, Md., is much improved in Delaware Hospital following injuries received in an automobile collision near Minquadale early Sunday night. The woman's head was badly cut, it requiring 16 stitches to close the wounds.

Five other persons who were in the two cars that collided were also treated at the hispital for cuts and bruises. Those treated and later sent to their homes were:

Mrs. Bessie Garton, 37 years old, Golt, Md.; Katherine Garton, 6 years old, Golt, Md.; Myrtle Garton, 14 years old, Golt, Md.; Wm. A. Garton proprietor of the general store at Golt; and Mrs. Marjorie L. Loatmore negress, of Philadelphia. They were discharged from the hospital after their injuries were dressed.

According to Garton, who was driving south on th ehighway, he endeavored to prevent being struck by a touring car operated by Urie Loatman, a colored patrolman of Philadelphia, living at 5332 Race St. Philadelphia, by pulling over to the side of the road.

Loatman says another automobile tried to pass him on the right side and hitting his right fender, knocked him over on the other side of the road. In Loatman's car was his wife his mother, Marjorie Loatman, Horace Carney and Clara Ray, all negroes.

The negro police officer's car was loaded with grapes and peaches bought along the roadside in lower Delamare. When the crash occurred, the fruit flew in all directions and spectators had a treat.

Mr. Garton said the accident climaxed a streak of bad luck. About a month ago, his store was robbed and a week later it was struck by lightning. The Garton family was driven back to Golt at night by a neighbor, J. W. Peacock. The Loatman family returned to Philadelphia by train.

Mr. Farmer

Do you know that within the past eighteen months the Maryland-Virginia Joint Stock Land Bank of Baltimore, through Wm. Frazier Russell, Jr., its attorney, has loaned to Kent County Farmers more than $90,000.00?

Do you know that you pay no bonuses or commissions to secure a loan through this bank?

Do you know that when you borrow $1000.00 you get a draft for $1000.00?

Do you know that every time you yau your interest you cut down the principal mortgage indebtedness?

Your neighbors are getting "wise." It will cost YOU nothing to learn.
