Philip Perry Killed In Automobile Accident

Philip Perry, an employe of T. H. Morris Bramble at Fairlee, was fatally injured in an automobile accident near Tolchester Sunday afternoon and died shortly after reaching the Baltimore Hospital where he was taken following the accident accompanied by Dr. Smith.

Mr. Perry was returning from Tolchester and lost control of his car causing it to run into a deep ditch on the side of the road opposite the farm of Charles H. Skirven. Occupants of a car some distance behind Mr. Perry saw the accident and picked up the unconscious man and carried him to Tolchester, from which point Dr. Frank W. Smith, of Fairlee, was summoned. The man was rushed to the Baltimore Hospital but died within a few minutes after having been admitted. It was found that one of his arms was badly crushed and one lung was punctured.

The deceased was a son of Mr. and Mrs. William Perry, of near Fairlee, and was unmarried. He was about thirty-five years old and had been a trusted employe of Mr. Bramble for several years. He was employed by Abe Cohen in Sandy Bottom previous to going with Mr. Bramble and was popular with the people whom he served.
