Strengthen Your Moral Convictions

The young fellow who goes to a dance Sunday evening may think it does him no harm. But he is scarcely living up to his best impulses. Men who persistently reach toward high ideals are the ones who land behind the general manager's desk.

CHURCH ATTENDANCE MEANS BETTER LIVING

Every man owes it to himself to develop along social, physical and religious lines. To stop with the first two means he is not treating himself fairly. Come to church Sunday. If you have no regular place of worship come here regularly.

We need you. You'll be surprised how much you need us.

Smallest Organ

The accordion, the smallest member of the organ family, has the distinction of being able to produce a greater volume of sound for its size than any other musical instrument. It was invented about 1829 by Damian of Vienna, and became popular throughout southern Europe. In Italy instruments were made that were capable of taking different parts in a score, and orchestras made up wholly of accordions were assembled.

The evangelistic services, a combined effort of the churches of Easton, came to a close last Sunday night. A contribution of $692 was given to Dr. George Cooke for his excellent services. Many converts were added to the churches of Easton as a direct result. Dr. Cooke goes from Easton to Cleveland, Ohio, for a week and thence to Buffalo to attend the conference of his church. He will conduct a campaign in Brandywine M. E. Church, Wilmington, Del., following the conference session. The combined churches of Chestertown are trying to get Dr. Cooke to come here next month.

Union and Crumpton Charge

Sunday school at 10, not 10.15. All present on time, please. As our teachers now have the journals and other necessary data for study, our Sunday school services should improve. Clark, of Still Pond, Mr. Charles Smith, of Church Hill, and Rev. Sidney Bradley, of Secretary; while the negative will be argued by Otis P. Jefferson, of Crumpton, Mr. Walter McGinnis, of Union near Chestertown, and Miss Florence Anthony, of near Crumpton. There will be competent judges so come.

As the pastor has to deliver an address at the Clayton M. P. Church on Sunday afternoon and there will be a Home Coming at the Double Creek M. P. Church, the officials have decided for us to worship with our sister church at Double Creek. on Sunday.
