DEMOCRATIC MASS MEETING

AT MILLINGTON

Monday Night, Oct. 25, 1926

AT 8.00 O'CLOCK
COMEGYS' HALL

Both ladies and gentlemen are cordially invited.

Come and hear the issues of the campaign discussed by the Democratic candidates and others.

VOTE FOR GOLDSBOROUGH

Hon. T. Alan Goldsborough has been elected to Congress to represent this District each succeeding term since 1920 by an increased majority. This proves his fitness and his popularity.

He took his seat in a Congress in which the opposition party had an overwhelming majority and thus became a part of a band of minority members whose only opportunity for serving the country lay in exposing the mistakes of the majority and thus exerting a check upon bad legislation. Despite this handicap of belonging to a party hopelessly in the minority, Mr. Goldsborough has succeeded in making a reputation for himself. He has attracted the attention of the biggest men of his party in Congress and went into this fight with their hearty endorsement. It would be a misfortune to refuse to return Mr. Goldsborough to Congress this year. It is more than likely that the next Cognress will be controlled by the Democrats and this will give Mr. Goldsborough an opportunity to become a strong figure in a body it usually takes several terms to even become known in. His ability is already acknowledged and he should receive a big majority on Tuesday, November 2nd.
