ORDER OF PUBLICATION

Thomas W. J. Perry
vs.
Ethel Marie (Johnson) Perry

In the Circuit Court for Kent County, In Equity, No. 2432.

The object of the Bill filed in the above entitled case is to procure a Decree for Divorce a vinculo matrimonii.

The Bill states:

1. That on the 17th day of July, 1920, Thomas W. J. Perry was married to his wife, Ethel Marie (Johnson) Perry, at Chestertown, Kent county, Maryland, by Rev. Omar E. Jones, a duly ordained minister of the Gospel, and with whom he resided in Chestertown, Kent county, Maryland, until some time in the year 1921.

2. That though the conduct of your orator towards his wife, the said Ethel Marie (Johnson) Perry has always been kind, affectionate and above reproach, the said Ethel Marie (Johnson) Perry has, without just cause or reason, abandoned him, and has declared her intention to live with him no longer, and that such abandonment has continued uninterruptedly for at least five years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation.

3. That your orator and the said defendant, Ethel Marie (Johnson) Perry had one child born to them by said marriage, whose name is Myrtle Marie Perry, aged five years, and who at the time of filing this Bill of Complaint, is residing with said defendant and her mother, at Buffalo State of New York, and who is receiving good motherly care and attention by the said defendant and her mother.

4. That the said defendant, Ethel Marie (Johnson) Perry is a non-resident of the State of Maryland.

5. That your orator is a resident of Kent county, Maryland, where he has lived all his life.

It is thereupon, this 29th day of September 1926, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent Counuty, once in each of four successive weeks before the 1st day of November next, give notice to the said Ethel Marie (Johnson) Perry non-resident, Defendant, warning her to appear in this Court in person, or by Solicitor, on or before the 15th day of November next, to show cause if any she has, why a Decree ought not to be passed as prayed.

Chicken Culling Demonstration

The most practical way to get at this proposition of keeping only practical chickens, is to cull your flock. You can cull your flock, scientifically, if you will attend one of the following chicken culling demonstrations where Mr. Rice, our Extension Poultry Specialist, will show everyone present just how to cull chickens.

Our goal is to have 20,000 chickens culled in Kent counuty this Fall. It will mean dollars saved. Culling demonstrations will be held as follows:

Millington, Tuesday, October 10th, 9 a. m., Jonathan Jones' farm.

Massey, Tuesday, October 19th, at 1 p. m., Thomas F. Newnam's farm.

Galena, Tuesday, October 19th, at 3.30 p. m., John Naylor's farm.

Kennedyville, Wednesday, October 20th, at 9 a. m., Walter Hill's farm.

Still Pond, Wednesday, October 20, at 1 p. m., Albert Jervis' residence.

Betterton, Wednesday, October 20, at 3.30 p. m., Arthur Brice's farm.

Worton, Thursday, October 21st, 9 a. m., B. F. Rash's farm.

Chestertown, Thursday, October 21, at 1 p. m., R. G. Nicholson's farm.

Quaker Neck, Thursday, October 21, at 3.30 p. m., Wm. T. Brown's farm.

Rock Hall, Friday, October 22, at 9 a. m., W. L. Wilkin's farm.

Edesville, Friday, October 22, at 1 p. m., Howard Leaverton's farm.

Fairlee, Friday, October 22, at 3.30 p. m., B. T. Hudson's farm.

Everybody interested in poultry is cordially invited to attend one or more of these meetings. Then, let us reach our goal of 20,000.

DON'T

Some timely "dont's" to reduce fire losses:

"Don't"

Let rubbish accumulate.

Alllow children to play with matches. Place explosives carelessly around.

Throw cigar and cigarette butts around indiscriminately.

Relegate dirty, oily rags to places where spontaneous combustion is likely to occur.

Let chimneys get clogged up with sut.

Burn trash near a frame structure or while a strong wind is blowing.

CALL FOR OLD CLOTHING

An S. O. S. call, an urgent plea for old clothing immediately for 125,000 refugees, including many children, in response to an appeal cabled by a committee headed by Bayard Dodge, President of Beirut University, is sent out by Harold F. Pellegrin, Potomac Division Director Near East Relief. Thousands of these refugees are caused by conditions following the Druse uprising unless relieved at once, says Mr. Pellegrin, the suffering, now intense, will be terrible. Bundle Days will be put on at once in the counties, clothing may also be sent, prepaid, to the Near East Relief, Army Base Warehouse, foot of 58th, Street, Brooklyn N. Y. In Baltimore, Mr. Pellegrin askes, that clothing be brought, or sent, prepaid, to 14 West Franklin Street, third floor; in the District of Columbia, to 321 Bond Building, Washington. October 29 is the latest time that clothing can be received in time to be shipped for this emergency. Mr. Pellegrin is hopeful of the usual generosity of the public to people in distress and of promptness in donations.
