WOMEN OF MIDDLE AGE

Praise Lydia E. Pinkham's Vegetable Compound

Mrs. Annie Kwinski of 526 1st Avenue, Milwaukee, Wis., writes that she became so weak and run-down that she was not able to do her housework. She saw the name Lydia E. Pinkham's Vegetable Compound in the paper and said to her husband, "I will try that medicine and see if it will help me." She says she took six bottles and is feeling much better.

Mrs. Mattie Adams, who lives in Downing Street, Brewton, Ala., writes as follows: "A friend recommended Lydia E. Pinkham's Vegetable Compound and since taking it I feel like a different woman."

With her children grown up, the middle-aged woman finds time to do the things she never had time to do before—read the new books, see the new plays, enjoy her grand-children, take an active part in church and civic affairs. Far from being pushed aside by the younger set, she finds a full, rich life of her own. That is, if her health is good.

Thousands of women past fifty, say they owe their vigor and health to Lydia E. Pinkham's Vegetable Compound, and are recommending it to their friends and neighbors.

Swan Creek P. T. A. Meeting

The monthly meeting of the P. T. A. of Swan Creek School was held at the school Thursday, November 4, 1926. Mrs. John White was the speaker o fthe evening and her discourse on Alaska, its people's and their customs was both interesting and instructive. The children carried out a pleasurable program also. At a plate supper recently held at the school, enough money was realized to equip the school with chairdesks and kindergarten tables and chairs. A dodge ball and soccer ball were also purchased.

A Hallowe'en party held at the school October 25th, was a brilliant social success. The resumption of the annual winter serving of hot lunches to the children will begin on December 1, and continue until April.

Swan Creek has a constantly growing and energetic P. T. A. and enjoys the co-operation of the entire neighborhood in all it undertakes.
