An opportunity so large that there is small need to enlarge upon it! The periodic Bordley & Son Sale, which places prices unthinkably low on merchandise of quality impeachably high.

There are two big things a clothing store has to do.

1. Keep big stock so customers may have a good selection all during the season.

2. Close out the stock at the end of the season to make room for new styles for the next.

We've kept stock up. You never saw a finer assortment to choose from. Now we're cutting prices to the bone to sell them quickly before spring goods come in.

The style service has been available for you all season.

The years greatest values are here for you in this sale.

We have reserved a few of our most staple suits such as Tuxedos Serges and dark colored worsteds but at least 90 per cent of our entire stock is included.

Prices are governed by the style of the suits. Suits in first two groups are not our newest suits and do not have wide bottom trousers. Suits in last two groups include our better and newer suits.
