Kent News $1.50 A Year

A STATEMENT

By the President of Dodge Brothers, Inc.

Within a few months, Dodge Brothers, Inc., will introduce a new line of motor cars, in no way conflicting with the market for Dodge Brothers present types, but occupying a considerably higher price field and produced in limited quantities.

Combining Dodge Brothers well known dependability with exceptional performance and striking beauty of appointment and design, these distinguished vehicles, we believe, will instantly set a new and higher standard in fine car practice.

Dodge Brothers will continue to produce their present line in maximum quantities to meet a demand which, during the year just ended, was very much the largest in their history, reaching the record total of 330,000 cars.

ANNUAL MEETING OF CHESTERTOWN VOLUNTEER FIREMEN

The annual meeting of the Chestertown Volunteer Fire Company was held Monday night in the firehouse on Cross street, about 100 members attending. The report of Treasurer Harvey G. Blyman showed total receipts for the year of $11,768.55, with disbursements of $10,916.58, leaving a balance in the treasury of $851.97. The treasurer also reported that the company has an invested fund of $5,000 in securities, made possible thru the holding of two annual carnivals. The report of the secretary, William Blakeney, showed that there are 40 active and 125 inactive members of the company. During the year the company was represented at thirteen carnivals, at which seven silver cups were won.

The following officers were elected: President, Wm. G. Smyth; first vice-president, P. Medford Brooks; second vice-president, Arlington L. Sparks; third vice-president, Dr. H C. Hughes; secretary, Solomon T. Chaires; assistant secretary, Frank Fowler; treasurer, Harvey G. Blyman; chief, Fred S. Russell; assistant chief, J. Hydie Thompson; mechanician, Arthur Bacon; assistant, Clarke Davis; chaplain, Rev. Charles L. Atwater; surgeon, Dr. Henry G. Simpers; members of board of directors for three years, William L. Fowler. Charles N. Satterfield, R. Hynson Rogers and Wm. H. Elliott.

EASTERN SHORE FIVES MAY ORGANIZE LOOP

For several weeks past there has been a quiet though very persistent movement among the basketball fans of the Eastern Shore looking to the organization of a basketball league composed of those towns where there is an armory or other large floor suitable to accommodate the usual crowds which attend the indoor sport. Due to the establishment of armories in the larger towns on the Shore there is scarcely one that does not boast of a basketball team. This applies to Elkton, Centreville, Easton, Cambridge, Salisbury and at Chestertown there is Washington College gymnasium floor, which is said to be available.

Local fans here who have been pushing the organization of the Shore League, have already taken steps to get in touch with prominent men in the above towns, and it seems certain that the league will be shortly organized with teams in each of the larger Shore towns, composed of absolutely home players. The movement was definitely started during the holidays, when a team from Chestertown engaged in a stiff contest with the Easton aggregation, which so enthused the fans in that town that they are ready to join the movement for the organization of a Shore League.

It is claimed that a six-club League would furnish excellent sport during the winter months for fans in all sections of the Shore who may be unable to attend the Washington College games, where the sport had its beginning on the Eastern Shore.
