A CALL FOR A WORTHY HERO

On the 25th of April Dr. W. S. Maxwell, of Still Pond, will have arrived at the 77th year of his birth. There are those of his close friends, who desire to show him, during his life, how highly they appreciate the nobleness of his character, and the self sacrificing life he has led, in our community, where for fifty years or more his services (as a physician) have been at the beck and call, of all, regardless of color or social distinction.

Thinking there are many others besides ourselves, who feel as we do we hereby call for a meeting of the community at large to be held at Still Pond in the Odd Fellows Hall at 3 p. m. April the 25th, to give to him, some expression of our love and sympathy, for him, in his affliction; together with our prayers for sustenance and blessing in his increasing years.

As words are easily spoken and evanescent, we wish to give him some tangible evidence, that we mean what we say, we desire to present to him a gold offering. Gold, to our mind represents the purity of the man's life, and the nobleness of his character, more clearly than any thing else we can present.

Those who wish to aid us in this undertaking, are requested to present their offering through some one of the below named parties, as "Many a Mickle makes a Muckle," Many small gifts are desired. These will be converted into gold by the committee in charge:

Committee

Rev. S. S. Hepburn, D. D., Wm. Medders, Wm. Clark, Wm. Janvier, Miss Mary Janvier, Miss Laura Hague, Miss Ella Pennington, Miss Mary Wilson.

ZINC INSULATED
American Field and Poultry Fence

The "American" genuine hinged joint fence is more popular than ever before as it is built right of the proper materials to insure long and satisfactory service. Tension curves are built into the line wires making it possible to stretch the fence as it should be stretched and still provide for contraction and expansion due to temperature changes.

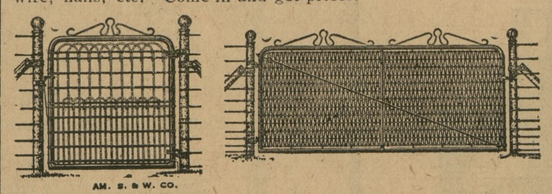

Have already received several cars and have more on the way. Prices lower than you expect. Four foot fence as low as 34c per rod, lower fence cheaper in proportion.

BANNER STEEL FENCE POSTS

Built like a railroad rail—the strongest form of fence post construction known. Carried in all lengths from 5 ft. to 7½ ft Cheaper to use than the wooden posts and make a much more attractive fence. We also have the round posts with ornamental tops.

BARB WIRE STAPLES, ETC.

We always have a complete stock of barb wire, staples, brace wire, nails, etc. Come in and get prices.

Walk and Drive Gates

The gate illustrated with fence to match makes a most attractive design for where an ornamental fence is desired.

Made of strong galvanized wire in 30—36 and 42 inch heights. Gates 3½ to 10 feet wide.

Farm and Poultry Yard Gates

The gate illustrated above is intended for general farm use, made of close mesch fabric to stop small chickens, pigs etc. Sizes 3½ and 12 feet long. This gate is cheaper to use than the ordinary wood gate and much more attractive in appearance.

No hinges to buy as hinges come with all of our gates. Get our prices.

We are headquarters for all kinds of fence and fence materials and will be glad to show you our stock and quote prices on your requirements.
