Mrs. James Matthews entertained a few friends at a birthday dinner and quilting party on Wednesday. Those present were Mrs. P. B. Rasin, Mrs. E. J. Rouse, Miss I. C. Cooper, Mrs. H. M. Matthews, Mrs. John Dwyer, Mrs. Earl Nichols and Mrs. Henry Rasin.

The Ladies' Aid met in the Church Hall Thursday afternoon.

Mrs. Margaret Dwyer and Mrs. R. P. Williams who have been quite sick are much improved at this writing.

H. E. Cooper spent a few days of this week with his son, G. N. Cooper, of Chestertown.

Mrs. Joseph Dwyer visited friends in Chestertown Monday.

Mrs. Thomas Parsons and children spent the week-end with her sister, Mrs. Helen Atwell, of Wilmington.

TOOK POISON BY MISTAKE

One day last week Mrs. Alice White, the young wife of Roy White, of near Rock Hall, had a very narrow escape from an accident that may have cost her life. In taking a tablet for relief for indigestion she took a poison tablet. Mr. White hurriedly procurred the services of Dr. Beal, of Rock Hall, whose treatment proved effective and Mrs. White improved rapidly.

MASSEY P. T. A. MEETINGS

On Tuesday, April 5th, Miss Taylor, the County Health Nurse, talked of Newfoundland to an assembly of the members of the Massey Parent-Teacher meeting and the children of the five upper grades. Her talk was very interesting and enlightening and was illustrated with sketches and pictures of the county and its people. The children of the fourth and fifth grades, who have been studying that section, were pleased to be allowed to give several bits of information. Also two of the girls recited poems, "Little Blue Pigeon" and "Spring Awakening."

At the last meeting which occurred March 2nd, the sixth and seventh grades recited a history lesson consisting of various reports on an industrial resolution project.

At that time, also, volunteers offered their services for the remaining period of serving hot lunches. These were discontinued about the middle of March.

Sixteen dollars have been collected for the Compton's Pictured Encyclopedia fund. This amount has been obtained entirely from persons not directly connected with, though interested in, the school and from volunteers among the parents. An effort will be made to collect the remaining amount thru the pupils. The public might be interested to know that the pupils are using these books both for class-room purposes and for browsing" and find them interesting. Even a few adults have commented favorably upon the type of information in these books.

No definite arrangements have been completed for the next meeting, and the program committee would appreciate your suggestions.

CLARA E. PALMER,
Secretary.

Boys' Week

DO YOU know of a boy who does not like to go to bed or get up in the morning? Do you know a man or a woman who does not like to go to bed early or get up early? I advise parents to make the boys do it, but I can't do a thing about the parents themselves!

DO YOU know a boy who doesn't like to quit his play to do a bit of work or even to come to meals? Do you know a man who does likewise? Don't blame the man, he is just a grown up boy!

DO YOU know a man or a woman who dislikes to go to certain social functions because he hasn't what he thinks are the right clothes to wear?

A TOOTHACHE hurts a man no more than a boy--but the boy may make more noise about it--and so the wrong style collar, tie or suit, hurts a boy the same as a man!

BOYS treated more like men will be more like men--and that's the secret of Boys' Week!

I AM proud of Boys' Week because it proves that men like boys and want them to have more attention than they got when they were boys without Boys' Week.
