# NEW RATE OF INTEREST

THE FEDERAL LAND BANK has reduced its annual rate of interest to borrowers on Farm Lands to

## 5¼ Per Cent

Making the cheapest rate of interest ever offered. No other bank can or will match this rate, which makes the Federal Land Bank the CHEAPEST medium through which you can borrow money on Farm Land.

## WERE YOUR WATCH AND YOUR SWEETHEART..*BOTH YOUNG TOGETHER?*

*A watch may never lose a second yet be many years slow*

In your pocket, perhaps, nestles the watch that ticked in time to your heartbeats as a nervous bridegroom, a proud young father. You cherish this watch. But when you display it in public, it often puts a false appraisal upon you. Viewed by critical eyes, it is anything but an honest reflection of your business and social position. So why not know now the pride that ever comes from the ownership of a modern Elgin. It is an investment you will never regret . . . an investment in good taste, authentic design, unhurried craftsmanship.

THE WOMAN'S WRIST WATCH is encased in 18-karat solid white gold, set with diamonds, and priced at $150.

THE MAN'S WATCH has an engraved case of 14-karat solid white gold and is priced at $60.

*We will show these and other Elgins to you gladly. No other watch is offered in so generous an assortment of styles nor at a price range so liberal*

# MANY CHANGES IN AUTO LAWS

The Generally Assembly unanimously passed House Bill 171, which recodifies the automobile laws of the State and makes a number of changes in the laws.

One of the amendments provides that an appeal may be taken from an order of the Commissioner of Motor Vehicles revoking the license of an operator. This appeal acts as a stay of execution of the order, and the operator is allowed to drive until the case is decided.

One of the changes sets the maximum speed limit at forty miles an hour, which is five miles faster than the present authorized speed. The minimum fine for speeding is reduced from $25 to $1.00.

The House amended the bill to increase the maximum weight of trucks allowed on the road from 20,000 to 25,000 pounds for four-wheel vehicles. The Senate for a time considered raising this to 27,000, but decided to let the House amendment stay. Trucks with six wheels up to 40,000 pounds are made legal by the bill. The bill signed by Gov. Ritchie motorists in the future can fix their next year license tags on the fifteenth of the preceding December. Under the present rules a motorist who does not display his new markers on January 1, cannot operate his car. The bill extends the period of grace to January 5.

The Senate struck out a House amendment providing that dealers might purchase three tags for $50 and specified the $25 should be charged for the first tag and $3 for each additional tag.

The measure passed by the Senate makes legal the horse-power tax on trucks of 32 cents per horsepower. The maximum width of motor trucks is increased from 90 to 92 inches.

The State Roads Commissioner is given authority to designate right-of-way thoroughfares, which would mean that vehicles approaching State highways will have to stop and give right of way to cars on such highways.

Another section of the bill gives the Commissioner of Motor Vehicles the right to enter into reciprocal agreements with other states. This it is thought, makes provision for the provision for the ironing out of the difficulty that has arisen with Delaware over motor trucks.

# CHESTER RIVER YACHT CLUB BANQUET TODAY

The first annual banquet of the Chester River Yacht Club will be held at Maplehurst Hotel on Chester river Saturday evening, April 23rd. Covers will be laid for more than fifty members and guests and an excellent speechmaking program is being arranged for the occasion. Among the guests of honor will be Commodore Hardcastle, of the Miles River Yacht Club, and George H. Engerman, of the Baltimore Sun sporting staff. One of the plans of the club for the year will be to hold a summer regatta on Chester river if suitable dates can be secured, and an effort is being made to place a gasoline and water supply boat on the river for the convenience and accommodation of numerous yachts which anchor in the harbor during the summer. Herbert T. Hartman is commodore of the club, and William H. Truslow, vice-commodore.
