A BATH ROOM ON WHEELS

Every home owner in Kent County will be interested in seeing the remarkable traveling exhibit of plumbing materials which will visit us on May 19. In a big special body built on a motor truck a varied and interesting display of the latest designs in bathroom, kitchen and laundry equipment will be shown.

Many hundreds of thousands of people have examined this free exhibit along its route from coast to coast, and have carried away many practical ideas and suggestions for the improvement of their homes.

Additional interest is given this exhibit through the fact that the supply fixtures of the lavatories and the sink are actually connected to running water. The water is supplied by the Crane automatic water system.

There is no admission charge. None of the fixtures displayed are for sale, though any or all of them may be obtained and installed by your regular plumbing contractor with little or no delay.

Flag week, instead of the usual flag day, will be celebrated June 8 to 14, under auspices of the United States Flag Association.
