## Harvest To Begin June 25th In Kent

The outlook is for a bumper crop of wheat in this section. The cold weather, also the rainy spell does not seem to have hurt the wheat so far, and the farmers are looking forward to a good crop. There appears to be plenty of straw, and the wheat which is now in blossom has large heads.

Harvest is expected to begin about June 25th. The price for old wheat is around $1.40.

## Dr. Simpers With His Daughter In Accident

If there was no other reason for observing the Volstead Law the use of the automobile would be one of strongest. It has been proven more than once that a drunken man cannot safely drive an automobile. This statement prefaces an accident caused by an intoxicated driver and one in which Chestertown residents made narrow escapes.

Dr. H. G. Simpers, prominent physician of this town, and his daughter, Miss Helen Simpers, secretary to Superintendent of Schools Louis C. Robinson, were the ones who made such lucky escapes when their automobile was run off the road near Easton.

Dr. Simpers, accompanied by his daughter, was en route to Easton Hospital to be present at an operation on Mrs. Washington I. Woodall, of this town, who, with her husband and Barber Bartley were trailing the Simpers car. Within four miles of Easton a large truck driven by a colored man shot out of a byroad, and in order to avoid being hit Dr. Simpers were compelled to ditch his car.

Dr. Simpers was thrown against the wheel, injuring his chest and sustaining several ugly cuts, while his daughter suffered slight concussion of the brain. Both were taken to Easton Hospital, where they were treated, and Dr. Simpers returned to his home the same day while Miss Helen came home Monday.

The colored man was placed under arrest. It has since been learned that this driver was not only intoxicated but had taken the truck from the garage without the consent of the owner.

### P. B. HOLLIS' TRIP ABROAD

A letter to a friend from Percy B. Hollis, a well-known chemist and resident of Chestertown, tells of his interesting trip abroad. He left Chestertown April 25th and went by way of Halifax, Plymouth and Havre to London where he arrived about May 4th. He says he had lovely weather and was not troubled with "drougth" after passing the 12 mile limit. At Halifax, among other things, 12,000 cases of Canadian Club whiskey was put aboard.

He says he saw his first ice berg soon after leaving Halifax and it appeared to be at least 100 feet high. He found his sisters in good health and the country looking very pretty He has booked his return trip via Montreal on either the 17th or 24th of September.

Kent county public school athletes made but one lone point at the big meet in Baltimore last Friday. All had a good time, which seemed to be the object of Kent's team.

### IN MEMORIAM

In sad but loving remembrance of our dear husband and father, William A. Kernan, who departed this life one year ago June 15, 1926.

Before our eyes he faded,
Growing weaker every day,
Doing all we could to save him
Until God took him away.
Jesus speaks in time of sorrow
And his blessed peace imparts;
In the desolated homestead
He will comfort broken hearts.
O God, what a weight of sorrow
Must we, the lonely ones, bear;
A lonely home, a silent voice
And only his vacant chair.
The hands that did so much for us
Now helplessly they lay;
God knew they worked continuously,
But they are gone today.
More and more each day we miss you,
Friends may think our wound is healed,
But they little know the sorrow
That lies within our hearts concealed.
By his loving wife, Mollie Kernan and Children.

A tribute of love to the memory of our dear father, Otho M. Fogwell, whom God called home June 15, 1926.

A precious one is gone from us,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.
Some time, some day our eyes
Shall see the face we love so well;
Some time his hands shall clasp in ours
And never say farewell.
By his loving daughter, Mrs. Theresa A. Poole.
