This is Jantzen "Learn-to-Swim Week"
June 25 to July 2

JANTZENS are styled for *swimming* as well as beach parade

THERE'S an outstanding dash and grace to the Jantzen-clad swimmer. Women express it as "stunning" . . . . "smart" . . . . "chic" . . . Men say, "Now, that's *my* idea of a wonderful swimming suit." Many are the reasons why Jantzen is such a sensation. First of all, it fits — as all your life you've wished a swimming suit might fit — *without wrinkling.*

Before the admiring eyes of millions, Jantzen wearers are seen on every beach in North and South America. And at Europe's fashionable seasides such as Nice, Deauville, Henley, Brighton Beach.

And this same perfection of fit is the secret of swimming-ease in a Jantzen. It graces your body snugly, smoothly, easily.

Your Jantzen cannot bind or hinder you. Being entirely of long wool fibres and closely knitted by the Jantzen-stitch process, it is unusually elastic. Hence, you always look and feel right in a Jantzen.

We have all the popular colors and styles in every size. Light and dark tones. Bright colors. Stripes. No extra charge for suits with the little red diving girl emblem — a smart extra touch! Jantzens are color-fast. They're dyed-in-the-wool. A perfect fit is yours at the outset, as we use the Jantzen system of size-by-weight.
