Kent News

SATURDAY, SEPTEMBER 17, 1927

The mercury went up to 93 degrees in Chestertown Thursday.

Those who claim to know, predict the winter of 1927-28 will be mild and balmy, because the hornets are building their nests near the ground.

—oo—

Elsewhere is noted the death of Dr. W. S. Maxwell in Still Pond. No man in Kent held the esteem and respent of our citizens more than he. The recent testimonial held during his declining health was a beautiful and helpful thought and gave him great joy. He was a good man, a human benefactor, a charitable man, a man whose greatest joy was to relieve suffering any place and at all times without thought of reward. His memory will be kept green in many loving hearts.

WHEAT MARKET SITUATION

Increased marketing of locally grown wheat in European markets which has somewhat restricted the export demand for U. S. grain, grain together with favorable wheather for the Canadian crop, weakened the wheat market during the past week according to the Grain, Hay and Feed Market News Service of the U. S. Bureau of Agricultural Economics.

The Liverpool market, influenced by the lower continental markets, declined about 3 cents. The Winnepeg market also declined as a result of the generally favorable crop prospects in that country. These declines were reflected to some extent in domestic future prices but an improved milling demand for practically all kinds of wheat held cash prices relatively firm and premiums for cash grain were increased sufficiently in most markets to offset the decline in future prices.

Receipts of nearby wheat at Baltimore were light with good quality wheat in good demand. Garligicky wheat was in fair demand with No. 2 red winter garlicky quoted at $1.35¾. No. 2 red winter for export was quoted at $1.40⅝. Small bag lots were selling at from $1.15 to $1.20 per bushel, depending upon quality.

TUNNEY TO RECEIVE $1,000,000

All financial arrangements for the Dempsey-Tunney battle of September 22 were settled Monday night, and certified checks for $1,000,000, Tunney's purse, and $150,000 Dempsey's share, were posted with the Illinois State Athletic Commission.

Forfeits of $25,000 and $10,000 was posted in behalf of Tunney and Dempsey and the boxing commission gave its final approval of the contracts and the match. At the same time Tex Rickard and George Getz signed the lease for Soldier Field Stadium, the battle ground, and paid the $100,000 rental.

ROCK HALL CARNIVAL SUCCESS

The gross proceeds of the firemen's carnival held in Rock Hall were $6,500, with net proceeds amounting to $3,300. This will be added to funds already raised by the Rock Hall Progressive Association, amounting to about $2,000, and will be used in the purchase of a modern fire truck and equipment for the protection of town property. The taxpayers had already sanctioned a bond issue of $10,000 providing for the installation of a water system for general purposes, and the bay shore town will shortly be equipped with the most modern appliances for fighting fires, from which the town has suffered seriously within the past five years.

TRAFFIC SIGNALS SUGGESTED

In the present crowded condition of some of the streets of Chestertown it is suggested that all auto drivers learn the code of signals employed in the larger cities. Tourists coming through use the code known the country over. It is this: When about to turn to the right, raise your hand outside the car window at an angle of forty-five degrees up. If you want to turn to the left, stretch out your arm straight from the body. And if you are about to stop, lower your arm forty-five degrees. If all would familiarize themselves with these signals, the person behind would know just what the fellow ahead is going to do.
