ELECTRICAL REFRIGERATION

When thinking of Electrical Refrigeration, think of the name KELVINATOR.

Refrigeration is not an experiment with the Kelvinator Co.

They have been building electrical refrigerators for 14 years.

We can also make your old ice box or refrigerator electrical.

For your convenience, I have one at my store.

Stewart-Warner Radio Wins Two Grand Prizes in Italian Contests

In Italy, land of Marconi, inventor of radio's predecessor' the wireless telegraph, an American built receiver, has twice carried off the honors in competition with every leading European and American brand. The Grand Prize at both the Gonzaga and Padova Fairs was awarded to a well-known radio, built in the United States, in a contest judged on the basis of performance and beauty.

An indication of the extreme values in radio, available to American buyers, is the fact that this receiver, manufactured by the Stewart-Warner Speedometer Corporation, of Chicago, sells in the United States for a nominal price, while many of the competitive European makes entered in the contests sell for extremely high prices.

Unquestionably the Americau radio fan is fortunate. In America, the land of free speech and free radio programs a tax on radio sets is unknown. But in many countries across the Atlantic, radio listeners must pay an annual fee to their governments for the support of broadcasting.

In addition, the United States has not only outdistanced European nations with an overwhelming number of excellent broadcasting stations—but in the production of finer receiving equipment, selling at prices that, to our Continental cousins, would seem ridiculously low.

Third Annual Standard Training School For Church Workers Begins

Sessions Held In The Method ist Episcopal Church Here—Six Meetings Con stitute Course

The Third Annual Standard Training School of Church Workers to be conducted at the Chestertown M. E. Church, begun last night and will continue throughout the following five Tuesdays to Dec. 6th, and one Wednesday, November 16th. Representatives of all denominations may register, there being no creed restrictions.

The school is to be conducted by the Chestertown Standard Training School Board of Managers, the Board of Church Schools of the Wilmington Conference and the Department of Church Schools of the Board of Education of the Methodist Episcopal Church.

The faculty and officers are as follows:

Rev. E. M. Shockley, Pastor, North East, Md.

Miss Margaret L. Ilsley, B. R. E., Director of Elementary Work, Wilmington Conference.

Miss Elizabeth DeMaris, A. B., A. M., Superintendent of Wesley Mission, Wilmington, Del.

Rev. F. A. Lindhorst, A. B., S. T. B., "Dean," Director of Religious Education.

Miss M. Ermyn Jewell, "registrar" Chestertown, Md.

Rev. C. W. Clark, A. B., "Promotion Chairman," Still Pond, Md.

Rev. W. F. Corkran and Earl T. Willis, "librarians," Chestertown, Md.

The four courses offered this year include two new ones, namely: "Primary Materials and Methods," by Miss Margaret L. Ilsley, and "Junior Worship," by Miss Elizabeth De Maris. The other two subjects are "Principles of Teaching," by Rev. F. A. Lindhorst, "The Life of Christ," by Rev. E. M. Shockley.

The school meets six nights, beginning last night at 7 o'clock. Two class sessions, 50 minutes each will be held each evening, including the initial night. A worship period will be held intervening the class sessions.

To every student who completes his course with a grade of 70 or above will be awarded at the conclusion of the school a "Certificate of Credit" in the standard training course. When six such credits have been received by a person he will receive a standard training "Teacher's Certificate" providing at least three of these credits are for required general or required specialization subjects. With the acquistion of twelve such credits, the student will be regarded as having been graduated from the course, and awarded the standard training diploma.

The Board of Managers are:

The Rev. W. F. Corkran, Chairman; Rev. Omar E. Jones, Rev. W. S. Grant, Rev. R. E. Green, Rev. T. S. Barrett, Rev. F. A. Baker, Rev. Ivanhoe Willis, Rev. M. D. Nutter, Rev. E. W. Henvis, Rev. C. W. Clark, Rev. H. R. McDade, Rev. G. W. Dawson, Rev. O. P. Jefferson, Rev. S. B. Bradley, Rev. S. L. Hanby, Rev. L. E. Poole, Mr. M. E. Newsome, Mr. B. F. Rash, Mr. Charles B. Chance.

There are registered thirty from Chestertown including six from Christ Methodist Protestant Church, twenty-five from Rock Hall, twenty-five from Crumpton.

For two years the Chestertown School has been one of the excellent merit. People in Chestertown and the surrounding territory have recognized the value of this work and have taken advantage of it in a very fine way.

No more attractive course of study has been offered in the Chestertown School than is offered this year. We are especially fortunate in being able to offer work taught by Miss Elizabeth DeMaris and Miss Margaret L. Ilsley. Both of these instructors are new in the Chestertown School. Both come with a rich background of experience and a very thorough training and preparation in their work. This is the first time the course "The Life of Jesus" has been offered and should attract a large number of folks, even those not working in the Church School but who would like to make a thorough study of the life of the greatest of men. Registrations in previous schools have been very gratifying but not as many as they should be. This year's school should far surpass either of the previous schools.

LOTS FOR SALE

I have 2 College Lots, each one containing an acre which I want to sell. One of them is a corner lot with a frontage of 200 or more feet on Campus ave., and 200 or more feet on College ave., extended. The other lot adjoins this lot with a frontage of 200 or more feet on College ave., extended. These lots are increasing in value every day and are a good investment for some one.
