Value of Newspapers recognized. A. A. Anderson, Secretary of the Pacific Coast Building-Loan Association in an address at the Pacific States savings and loan conference, recommends newspaper advertising as the most effective economical means of reaching the public. Further, he urged that the building-loan associations throughout the United States should have a fund of at least $1,000,000 for such a compaign.

As Mr. Anderson knows, it has fully demonstrated that the newspaper stands by itself as a carrier of messages to the greatest possible number of people. It is the only medium that is sure to reach the citizens of a community and be read. This fact is being fully appreciated every day.

The smaller city dailies and country weeklies are the great medium for reaching the masses of the people who represent the majority of the reading and buying power of this nation.

Ambulancc Needed For Kent County

During the past six months eight accidents have occurred in Kent County. All were taken to the nearest hospital in ordinary cars which necessitated the patient sitting up for a distance of thirty-five miles. Two cases died en route, the others suffered unnecessary agony because of the lack of an ambulance. Kent County, lead by the Public Health Association, is putting over a drive to raise $3,500 for the purchase of an ambulance which will be kept at the Fire House ready for use day or night and will be under the control of the Fire Company. Contributions are asked from all residents of the county. No one knows who will be the first to need it. It may save the life of one of your loved ones. Checks large or small are going to be appreciated by the whole community. Make checks payable to The Kent County Ambulance Association.

LOCAL SHOW STARTS PRACTICE

Rehearsals started Monday evening of this week for Chestertown's big novelty show, "Nic Nacs of 1927," which is to be presented at Lyceum Theatre on November 28, 29, 30, under the auspices of the Ladies' Auxiliary of the Fire Company.

Many novel and unique features will be included in the large and varied program, among them being a feature lady minstrel scene in which our best lady entertainers will appear as blackface comedians, singers and dancers. Male minstrels are quite common, but ladies donning male attire and appearing as burnt cork comedians should prove quite a novelty.

Other numbers include: "Dreamy Lotus Land," a Japanese novelty. "The Rose Bower," a romantic offering, "Memories," a beautifully staged number, an introduced number by pupils of Miss Doris Bell, and other novelties.

Rehearsals are being held every afternoon and evening, and much interest is being shown by the members of the large cast.

The Wheeler Producing Company, who have staged several very artistic and successful shows for the Fire Company, are again in charge, which assures another high class entertainment, and our people are looking forward to the coming entertainment with much pleasure.

IN MEMORIAM

In loving remembrance of my dear father, Barrett Smith, who departed this life four years ago Nov. 17, 1923.
It was early one Sunday morning,
I shall never forget that day,
When an angel came and whispered,
I must take your father away.
Although you could not speak to us,
Or could not say good-bye,
I knew your thoughts were with us all
When you were called to die.

1t* By his daughter, Marguerite.

THE ROLL CALL

The Red Cross Call began on Friday, November 11th, and continues until November 26th, inclusive. At this time the people of this country are given an opportunity of joining the great organization and contributing their part to its wonderful work.

Every one knows what the Red Cross did during the Great War and what wonderful help it was in many countries immediately after the war. We also known what it did in Japan after the great earthquake, what it did during the Mississippi flood and the assistance it gave in St. Louis after the cyclone. It has now been called to aid in the flood area in New England. The Red Cross is always ready for any emergency.

It needs the help of the people in this country and the privilege of becoming a member is now being offered. It is not only a privilege but it is a duty and every person in Kent county should make it his business to to become a member.

During the war Kent had a fine organization, one that did great work. It met every demand made on it and was among the leaders of this state. Let everybody join the Red Cross.

Y. W. C. A. Chapter Organized At College

The women students of Washington College have been actively interested, this year, in organizing a Young Women's Christian Association on the Campus and decidedly encouraging progress has been made. The interest shown by Dean Boland and Dr. Dole has been a source of much enthusiasm to all the girls, the majority of the women students having joined the organization. One aim of the movement is to bring the town girls and dormitory girls into closer social relations than has existed heretofore. The officers elected were Geraldine Fitez, President; Diantha Roe, Vice President; and Miriam White, Secretary and Treasurer. These officers, together with Chairmen of the various committees will form the cabinet. Vesper services are held every Sunday evening in the drawing room of Reid Hall from 6 P. M. to 6:30. The candlelight initiation ceremonies will probably be held the first Sunday after the students return from Thanksgiving holidays. Later a combined service with the Y. M. C. A. may be held at William Smith Hall with special speakers for the meetings.

EVERYBODY-GO-TO-CHURCH ON SUNDAY, NOVEMBER 20

A country-wide movement to get everybody to attend services on Sunday, November 20, has been launched and in some churches it is known as "Family Day." On the above date every churchgoer will be urged to attend services, when special features will be offered in the way of strong sermons, attractive music, etc. Each denomination will make a special effort to get their members out on the above date, and a general appeal is made to those who do not attend regularly or who do not belong to any church. For one Sunday, at least, it is hoped every church in the county will be well attended.

Make Your House a Home!

No longer is it necessary to live in only one or two rooms during the long, cold winter months. Now, with this new Allen's Parlor Furnace every room in your house will be warm—cozy—livable in coldest weather.

An Above-the-Floor Furnace

Allen's is the original Parlor Furnace. Can be placed in a few minutes in a room or hall. Requires no basement—no installation expense—no pipes—no radiators or other fittings. Does the work of several stoves, room heaters or fire places—uses no more fuel than one of them. Burns hard or soft coal, coke or wood. Low in cost—high in quality—economical to operate. Finished in enduring porcelain enamel, natural walnut effect. When the outer cabinet doors are closed it resembles a piece of beautiful period furniture. Harmonizes with finest furnishings.

TIME PAYMENT

A small down payment and you can pay the balance in easy monthly installments while enjoying the warmth and comfort it provides. Come in and ask us all about it—no obligation.
