MEDICAL UNIT TO ENCAMP JULY 8 TO 22

After the meeting of field and staff officers as well as company commanders of the Frist Infantry of Maryland National Guard held in the Fifth Regiment Armory in Baltmore it was announced that the First Infantry would camp at Camp Ritchie from July 8 to 22.

The local Medical Detachment is a unit of the First Infantry and will go with that branch to the camp at Cascade, Md.

Training in protection against airplane attack and new methods of chemical warfare will be features of the course in the summer. Brig.-Gen. Milton A. Record addressed the officers of the First Infantry at their meeting.

The Chestertown Volunteer Fire Company has announced plans for the re-building of the recently purchased Pierce-Arrow in order that it might be used in answering calls from country districts.

The machine will be taken to Wilmington and will there be re-modeled to meet the needs of the local fire company.

FIRE COMPANY WANT MEMBERS

The Chestertown Fire Company has purchased a Pierce-Arrow chasis which is being converted into a special fire truck at a cost of $1800 for the protection of the property of residents in the country districts. It is a problem with the company officials to provide this additional protection upon the limited funds at their command, and a newly organized Association organization is assisting by securing membership in the organization at an annual cost to the property holders of the town and county of only $3 a year, which is small indeed compared to the protection guaranteed by the Fire Company. At the regular meeting of the the company on Monday evening 13 applications for new members and quite a number of annual dues were received bring the total membership in the new organization well on the way towards 100. The committee is anxious to secure at least 150 members by April 1, and it will be very easy to accomplish if all members whose names appear on the inactive list will pay their dues, and many others in the county and town who have never been members will send their application with check $3.00 to either J. S. Kreeger or James Kirby. Let's see how nice a showing can be made at the regular meeting of the fire company next Monday evening. Pay your dues and send in your applications without personally solicitation and see if we can't push the total membership well over the 100 mark on Monday evening. It is a most worthy cause. Won't you help?

T. D. BOWERS, President.
