Dr. Esther M. Dohl, head of the department of history, Washington College, has been elected a member of the faculty of the 1928 summer school to be held at Alfred, N. Y.

Dr. Dohl is regarded as a leading authority on historical subjects and she is at present engaged in writing a chapter on the history of the Delmarva Peninsula, which will shortly appear.

TIME IS RIPE TO OUST G.O.P. SAYS GOV. RITCHIE

The coming election will accord the people of the country a most opportune time to oust a "most corrupt" Republican administration at Washington and replace it by a Democratic administration based on "personal liberty and sectarian freedom." This was the keynote of addresses made last week by Governor Ritchie and United States Senators William Cabell Bruce and Millard E. Tydings.

They were the speakers at luncheon at the Hotel Rennert which followed at a meeting of the Democratic State Central Committee, the first that has been held in connection with the Presidental election next fall.

J. Enos Ray Presides.

J. Enos Ray, chairman and treasurer of the committee, presided at the meeting and the luncheon. Approximately 500 persons, including nearly all the Democratic leaders of the city and state, attended the luncheon. About 50 per cent of those who attended were women.

Governor Ritchie asserted that the "corruption in the National Government" was confined not just to a few persons, but manifested itself in the entire Republican party. He declared that the Presidential election would afford an opportune time, in view of this "corruption," for the "ins to step out and the outs to step in."

Called "Short-Sighted."

The present national Administration was characterized by Senator Tydings as not only "corrupt" but "short-sighted." He did not confine his remarks to Washington, but pointed out that Chicago and Indiana "had more than their share of Republican wrong-doing."

Senator Bruce cited the qualifications of Governor Smith and other aspirants for the Democratic Presidential nomination and then declared that Governor Ritchie's qualifications were stronger and more numerous than those of the other candidates. His remarks were met by a burst of applause and cheering.

Reelections Urged.

Each of the speakers made an appeal that Senator Bruce and the present Congressional Democratic Representatives in Congress be returned to Washington. The failure to do so, Senator Tydings said, would close additional doors to a possible complete investigation of the "scandals in Washington."

Resolutions adopted at the committee meeting empowered Mr. Ray to fix the date for the Democratic State Convention and to fill any vacancies that might occur in the list of delegates to the gathering. A resolution making the number of delegates from each county and Legislative district of Baltimore the same as the number of representatives the respective area has in the General Assembly also was passed.

Just before the meeting was adjourned, Mr. Ray announced that the convention would be held May 22 at the Maryland Theater. The hour was not fixed.

Besides the election of delegates to the national convention and the nomination of a national committeeman and committeewoman, the State Convention will elect a vice-chairman of the State Central Committee. A woman is expected to be named, according to party leaders.

The announcement caused considerable comment among those present and possible candidates for the post were discussed. Miss Lillian R. Forwood, of Belair, former president of the Maryland Association of Democratic Women, was mentioned by most as the possible nominee.

Following the meeting Mrs. B. Ashby Leavell, of Chevy Chase, Md. president of the Maryland Association of Democratic Women, announced that she was a candidate for National Committeewoman.

Political leaders expect her announcement to result in a spirited three-cornered fight for the post, as Mrs. Elizabeth Menefee, of Cumberland, president of the United Democratic Women's Clubs of Maryland and Mrs. S. Johnson Poe are candidates.

Officers of the Kent County Chamber of Commerce will attend the sixteenth annual meeting of the U. S Chamber of Commerce to be held in Washington, May 4 to 11.

KENT COUNTY'S CANDIDATE FOR CONGRESSMAN

SENATOR S. SCOTT BECK,

We believe that the man for the position of Congressman from the Eastern Shore of Maryland is Senator S. Scott Beck, of our own county of Kent.

WHY?

First, because of his consistent record in the last Maryland Legislature when he proved his ability in fearlessly championing measures for the welfare of the watermen, the farmer and the business man. Ask any of his fellow Senators as to his ability and consistency in that legislative body.

Second, because he is in sympathy with the farmer and his difficulties; being himself born on a farm; raised in a farming community and directly interested in farming.

Third, because being from a water section and having studied the waterman's needs and proven his ability to plead their cause he will be in a better position to sponsor their measures.

Fourth, because of his practical experience as President of one of the oldest and best banks on the Eastern Shore he can assure the business people of PRACTICAL HELP in all financial matters.

Fifth, because of his training as an experienced lawyer, he is equipped to give excellent service to ALL the varied interests of the Eastern Shore in a most worthy manner.

Sixth, because if nominated by the Democracy on May 7th, he will be ELECTED on November 5th.

Seventh, because if elected to Congress he will represent what he believes the people of the WHOLE district want without regard to faction or creed.

Eighth, because if nominated and elected he will be a credit not only to Kent county, but to EVERY ONE of the nine counties on the Shore, from Cecil to Somerset.
