THE PRIMARY ELECTION

The primary passed off quietly in Kent as usual and the sun shines just as brightly as ever.

William Cabell Bruce is renominated as the Democratic candidate for United States Senator. His opponent is Ex-Governor Philip Goldsborough.

Hon. T. Alan Goldsborough carried this Congressional District by nearly 3,000 and is the Democratic nominee. The News has nothing to retract and feel delighted at the vote received by our fellow countian, Senator S. Scott Beck.

Congressman Goldsborough is ably equipped by training and experience to continue his desirable type of capable, honest representation. His work in the House of Representatives has been of the most valuable and constructive character, and the best interests of the Eastern Shore of Maryland will be carefully safeguarded if he is again intrusted with the responsibility of representing us. His opponent is A. Stengle Marine, Esq., of Dorchester.
