FIVE-HOLE GOLF COURSE FOR WASHINGTON COL.

Men and women students of Washington College will shortly boast a golf course all their own. It will be constructed on the spacious campus for the exclusive benefit of college folk. Five holes will constitute the course, over a total length of 1,500 yards. During this summer, however before the projected Chester River Country Club course is completed townspeople will be invited to play on the campus but after that, it is announced, the course will be limited to students and faculty. An Ideal *and* An Aim

"The ideal and aim today of the American Telephone and Telegraph Company and its associated companies is a telephone service for the nation enabling at all times, anyone anywhere to pick up a telephone and talk to anyone else, anywhere else, clearly, quickly and at a reasonable cost."

WALTER S. GIFFORD,
President of the American Telephone and Telegraph Company (Bell System)

¶ This statement of the president of the American Telephone and Telegraph Company expresses the ideal and aim of the *Bell System*. It is the principle which has guided the management during the entire life of the system—to give the most telephone service and the best at the lowest cost to the public.

¶ In pursuit of this objective, there has been established a great nation-wide system of communication — built and extended in a spirit of service to the public—permitting at all times, anyone, anywhere to talk to anyone anywhere else, clearly, quickly and at a reasonable cost.

¶ The Chesapeake and Potomac Telephone Company of Baltimore City, which furnishes your service, is a part of the Bell System. Its policies are the same—to give you the most telephone service and the best at the lowest possible cost.

¶ To this end we are constantly setting higher standards of service—then bending our energies to attain them. The year just closed has witnessed greater progress in this direction than any similar period in the company's history.

¶ This year we expect to do better and next year better still. In this way we are striving faithfully to realize the ideals and aims of the Bell System.

QUEEN ANNE'S COURT

Recommending that the County Commissioners authorize the State's Attorney to employ a detective, from time to time, to ferret out offenders of the liquor laws, the Grand Jury of the May Term of the Circuit Court for Queen Anne's County, completed their labors Thursday afternoon and submitted their report to Judges Thomas J. Keating and Lewin W. Wickes. The report, signed by W. Steadman Cross, foreman, and James P. Brown and Graham Watson, assistants, voiced the opinion that there are comparatively few infractions of the laws other than violations of the liquor statutes.

Luther Rash was sentenced to 4 months in the county jail for assault and battery upon C. W. Nickerson. The trial was before the Court with Legg for the accused and Horney for the State.

William Davis was sentenced to 60 days in jail, after a jury found him guilty of assaulting Lucian Massey. Legg for the accused, Horney for the State.

Vincent Solloz, Chestertown east-Indian barber, drew the heaviest sentence of the session, when he was given ten years in the Maryland Penitentiary for burglary.
