"BEAU SABREUR" HAS BIG NAMES

One of the strongest casts ever assembled is to be found in Paramount's picturization of P. C. Wren's story, "Beau Sabreur," scheduled for local showing at the Lyceum Theatre on June 21-22-23.

Gary Cooper tops the list of favorits playing the title role in this production, which was directed by John Waters and supervised by Milton E. Hoffman. Cooper has the role of Major Henri de Beaujolais, dashing young French officer who becomes embroiled in a series of thrilling adventures with a beautiful American girl. He becomes infatuated with her, despite his sacred vow that he would give everything for France and never again look at another woman. Cooper is also playing the lead in "The First Kiss" which is being filmed at this time in Talbot County.

Evelyn Brent, for many years a star in her own name, plays the girl, Mary Vanbrugh.

The role of the treacherous Becque, master mind of the Sahara desert tribes, is in the capable hands of William Powell, whose characterization of Boldini in "Beau Geste" won in fame. Mitchell Lewis is his chief cohort, Suleiman the Strong, a renegade of the desert, and Arnold Kent plays Raoul de Redon, a friend of Henri.

There are three outstanding comedy parts, and they are essayed by Noah Beery, as the genial bluffer, the Sheikh El Mamel, much-feared tribe leader; Roscoe Karns as Buddy, his grand vizier, and Joan Standing as the maid Maudie.

"Beau Sabreur" is a story of the desert, a mingling of romance, adventure, thrills and cheeriness. It brings to the screen not an ordinary story, but one filled to the brim with punch.

TRI-COUNTY RURAL POSTMAN GATHER

The annual meeting of the Tri-County Rural Letter-Carriers' Association, comprising Cecil, Kent and Queen Anne's counties, was held in the high school Friday with large delegations present.

The session was devoted to the discussion of important questions affected the welfare of the service.

Chief among the topics were the character and position of rural mail boxes along the routes, good roads and Dale retirement act, which failed of passage in the recent session of Congress, and which was strongly advocated by the association.

Steps were taken to renew the fight for the bill in the next session of Congress and overtures will be made to the annual meeting of the State Carriers' Association soon to assemble to urge its passage.

The following officers were elected for the ensuing year: President, Homer L. Campbess, Chesapeake City; vice-president, Olan S. Walls, Sudlersville; secretary and treasurer, John E. Barnes, Chestertown.

The following delegates were elected to the State Convention, which will meet in Ocean City, July 9 to 10: John E. Barnes, Chestertown; G. Wallace Atwell, Kennedyville, and Norman A. Wallen, Millington.

The carriers in the Salisbury postoffice are making arrangements for the Ocean City gathering and are seeking to make it the greatest annual gathering in the history of the State association.

The next annual meeting will be held at Centreville.

Our Responsibility and Our Obligation

"The American Telephone and Telegraph Company accepts its responsibility for a nation-wide telephone service as a public trust. Its duty is to provide the American public with adequate, dependable and satisfactory telephone service at a reasonable cost."

WALTER S. GIFFORD,
President of the American Telephone and Telegraph Company (Bell System)

¶ This expresses the policy which has guided the Bell System from its beginning. By a strict adherence to it there has been created a great, nation-wide system of communication which has placed every city, town and hamlet in the United States within reach of every other city, town and hamlet.

¶ Alexander Graham Bell, the inventor, more than fifty years ago when the telephone was in its infancy, made the prophecy that such a nation-wide system would some day become a reality. It *has* become a reality, because from the very beginning of the industry down to the present time the management has continuously worked with this objective ever in mind.

¶ The very nature of the telephone business necessitates a single interconnected system. It is, therefore, without competition in the usual sense. This in itself imposes an exceptional responsibility and obligation, *amounting to a public trust.* Speculative profits have had no place in its development. Always the management has had before it the ideal of rendering a service as nearly perfect as possible, at rates as low as would be consistent with financial safety—thus to encourage the most wide-spread use of the service throughout the nation.

¶ The result is that today the United States, with only 6 per cent of the population of the world, has 60 per cent of the world's telephones. And at no time in the history of the industry has greater progress been made in the development of the telephone art than is being made at the present time.

Chicks get from Purina LIFE and GROWTH~

FROM the time chicks step out of their shells, they look to you for protection and care to live and thrive. Poultry yard facts show that more than 90% of the chicks fed Purina Startena and Purina Baby Chick Chow live and grow rapidly into plump broilers and early laying pullets. Isn't it sound business economy to feed Purina, which saves 9 out of 10, instead of average mixtures on which 5 out of 10 chicks die? Come in and let us show you how to save chicks and get them to early maturity.

ARE YOU SKEPTICAL OF 5c CIGARS?

We don't blame you. Read *this*:

You've smoked 'em bitter; smoked 'em "flat." You've had 'em crumble in your mouth or burn lopsided. You've probably given up the idea that 5c can buy an enjoyable cigar. But—just to show you that a really fine-tasting, clean-burning cigar *can* be made for a nickel—we ask you to try *Havana Ribbon.*

Havana Ribbon is the pride of one of the world's largest cigar manufacturers. As different from ordinary five-centers as juicy-ripe apples are different from green or over-ripe. And that's just the secret: *It's ripe tobacco* — long-filler, uniform, evenly-laid. No short ends or "scraps." No bitter *under*-ripe top leaves; no insipid *over*-ripe bottom leaves. Only choice *fully*-ripe middle leaves age-mellowed and cured to the sweetest, mildest flavor you ever tasted in a cigar selling for so little. Get out a nickel quick. There's a cigar counter near. And the countersign is—*Havana Ribbon.* Also *Practical Pocket Packages* of five cigars.

WESTERN GIRL STRENGTHENED

By Taking Lydia E. Pinkham's Vegetable Compound

Manchester, So. Dakota.—"I was in a terribly weak and run-down condition when a friend told me about Lydia E. Pinkham's Vegetable Compound. I began taking it and after a short time I felt better. We are a family of five and live on a 360-acre farm, so I have quite a good deal to do both indoors and out. At first I was unable to do anything and had to have a girl, but after taking the Vegetable Compound I finally gained my strength back and also gained considerable in weight. I will gladly answer letters from women in regard to your medicine."—MRS. OTTO J. GEYER, R. F. D. 1, Box 20, Manchester, So. Dakota.
