SATURDAY, JUNE 16, 1928

Prof. Wm. R. Howell, of the Washington College faculty, will deliver the commencement address this year to the graduates of the Cordova High School, June 19th.

Former State Senator Henry Brown, of Kent County, is a member of the Maryland Republican delegation at the Convention in Kansas City. The Maryland delegation was early on the Hoover bandwagon.

MORE SLAG ROADS

Messrs. Editors:

Reading accounts in your paper of frequent delegations before our Board of County Commissioners asking for the improvement of some especially bad section of dirt road in different sections of our county prompts this communication.

The present Road Law enacted 20 years ago, while a good one in its day, needs to be amended to meet the requirements of present day travel. We are spending too much on smoothing over dirt and not enough on hard slag roads. We should amend our Road Law to read, that not less than thirty cents shall be levied each year for roads, of which not more than ten cents shall be used for repairs and not less than twenty cents for the construction of nine foot slag roads.

This fund would be sufficient to build at least ten miles of hard surface road each year and should be divided fairly in each district—if this policy was continued or enlarged, we would soon have relief from an almost intolerable condition which confronts our farmers in outlying sections each Winter and Spring. It is becoming difficult to induce desirable tenants to rent some of our most fertile land simply because access to a doctor, church, school milk station is almost impossible to them at certain stages of dirt road travel. To my mind, this is not reasonable or right. This same property has been taxed for twenty years to help build and maintain the splendid concrete highways that connect our principal towns and shipping points throughout the county but which will never reach these distant lands, therefore, to my mind, it is only fair and just and in line of progress that we proceed speedily to give this inexpensive relief.

Our County Commissioners realize the merit of every complaint of every delegation appearing before them and it is only their concern for the tax rate which prompts a denial.

It is my conviction that it is high time that action by the responsible citizenship of this county be taken in this matter so that order by procedure of a constructive character be had.

IN MEMORIAM

In loving remembrance of my dear husband and father, Wm. A. Kernan, who departed this life two years ago, June 15, 1926.

How sweet the name of husband and father sounds;
Father was the best friend we had,
To us who feel so sad,
To speak of friends upon this earth,
We have only your memory dear husband and father,
To remember our whole life through;
But the sweetness will linger forever,
As we treasure the image of you.

His Loving Wife and Children.

In loving memory of my dear sister, Mary, who fell asleep in Jesus, May 23, 1928.

Deep in our heart lies a picture,
Of a lone one gone to rest.
In memory frame we shall keep it,
For she was one of the best.
As we loved her so we miss her,
In our memory she is near,
Loved remembered longed for always,
Bringing many a silent tear.
Sadly missed by her Sister, Mina.

Frank Adams
vs.
Ruth L. (Hall) Adams
In the Circuit Court for Kent County,
In Equity, No. 2521.

The object of the Bill filed in the above entitled case is to procure a Degree for Divorce a vinculo matrimonii.

The Bill states:

1. That on the 21st day of June, 1907, he, Frank Adams, was married to his wife, Ruth L. (Hall) Adams, by a Justice of the Peace, at Neodesha, Wagoner County, State of Oklahoma, and resided with her in Tulsa, Tulsa County, State of Oklahoma, until some time in the month of October, 1924.

2. That though the conduct of your Orator towards his wife, the said Ruth L. (Hall) Adams, has always been kind, affectionate and above reproach, the said Ruth L. (Hall) Adams, has without any just cause or reason abandoned him, and has declared her intention to live with him no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconcillation.

3. That your Orator and the said Defendant, Ruth L. (Hall) Adams, had two children born to them as a result of said marriage, to wit: Roland Hall Adams, who at the time of the filing of this Bill of Complaint is 17 years of age and Morris M. Adams, who at the time of filing this Bill of Complaint is 19 years of age, all residing with their mother, Ruth L. (Hall) Adams, somewhere within the State of Oklahoma.

4. That the Defendant, Ruth L. (Hall) Adams is a non-resident of the State of Maryland, whose exact whereabouts is unknown to your Orator.

It is thereupon, this 18th day of June, 1928, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 16th day of July next, give notice to said Ruth L. (Hall) Adams, non-resident defendant, warning her to appear in this Court in person, or by Solicitor, on or before the 30th day of July next, to show cause, if any she has, why a decree ought not to be passed as prayed.
