Chicks get from Purina LIFE and GROWTH

FROM the time chicks step out of their shells, they look to you for protection and care to live and thrive. Poultry yard facts show that more than 90% of the chicks fed Purina Startena and Purina Baby Chick Chow live and grow rapidly into plump broilers and early laying pullets. Isn't it sound business economy to feed Purina, which saves 9 out of 10, instead of average mixtures on which 5 out of 10 chicks die? Come in and let us show you how to save chicks and get them to early maturity.

SMOKE MAGIC

Here's Some Smoke Magic You Can Do With a Nickel

Converting nickels into dimes or quarters by sleight-of-hand is interesting. It's phony, of course. But here's a trick that's genuine. *You* can do it: Lay a nickel on a cigar counter. Measure what it usually buys in a cigar. Then ask for a *Havana Ribbon* and see the value your nickel attains!

Here's a cigar, men, that's been famous for thirty years. Its production has risen by millions. Wise experience and the use of nothing but *ripe tobacco* from heart to wrapper have so marvelously bettered this cigar, there's simply nothing else in the wide world to compare with it for the price.

It's mellow, mild, fragrant. Not a tinge of bitterness. Not a trace of "flatness." No "scraps" or short ends to fray or crumble in your mouth. No, sir! Long filler only—like you find in higher priced cigars. Give it a chance. Don't forget the magic words—"*Havana Ribbon.*" Also sold in *Practical Pocket Packages* of five cigars.
