Plymouth, Wis.—"I am one of the women taking Lydia E. Pinkham's Vegetable Compound and am proud to say it is good. I have told quite a few others to try the Vegetable Compound and I am willing to answer letters about it."—Mrs. Ed. Behr, R. 4, Plymouth, Wisconsin.

Chicks get from Purina LIFE and GROWTH~

FROM the time chicks step out of their shells, they look to you for protection and care to live and thrive. Poultry yard facts show that more than 90% of the chicks fed Purina Startena and Purina Baby Chick Chow live and grow rapidly into plump broilers and early laying pullets. Isn't it sound business economy to feed Purina, which saves 9 out of 10, instead of average mixtures on which 5 out of 10 chicks die? Come in and let us show you how to save chicks and get them to early maturity.
