The Carnival will close Monday night instead of tonight for various reasons.

BIG PARADE DRAWS CROWD

An Ideal Night With Auspicious Surroundings—Chestertown And Rock Hall Bands Vie With Visitors In Praise From Onlookers — Everybody Happy And No Bad Conduct.

The fourth annual parade, under the management of the Chestertown Volunteer Fire Company, was held on Tuesday evening under ideal surroundings. Nothing occurred to mar the plans of the committee and the program moved along with clock-like precision.

The splendid High street boulevard was lined with cars and sightseers while side streets and every available space was utilized in which to park cars. With sixteen fire companies represented and a total of thirty-seven units in line the parade was second only to that staged by the Chestertown Company during its annual carnival last year.

Prizes to visiting fire companies were awarded as follows: Best Band $20 in gold, Singerly Fire Company, Elkton; best equipment, $10 in gold, Perryville Fire Company, longest distance in State, $10 in gold Perryville Fire Company; best appearance, $15 in gold, Perryville Fire Company; most men in line, $10 in gold, North East Fire Company; longest distance out State, Camden-Wyoming, Del. Fire Company.

A prize of $20 in gold for the best band from out of the State was withdrawn when no band appeared.

Promptly at 7.30 p. m., the parade swung down High street. First in line was State Officer Jess Bradley. Next came the Drum and Bugle Corp of the Chestertown Boy Scouts, headed by their scoutmaster, Rev. C. L. Atwater, who is also Chaplain of the Chestertown Fire Company.

The Chestertown Company was the next in line and made a fine appearance. Following Chestertown was the Church Hill unit.

Then came Chesapeake City and Centreville with men and equipment. Back of these was the North East Band, with members and equipment.

Hartley, Del., and Sudlersville, with band, men and a beautiful new engine received much applause.

Rock Hall, with men, engine and band and Millington gave the rest of Kent, outside of Chestertown, a fine showing. These companies were followed by Camden-Wyoming, Del., Company.

With a band composed partly of ladies the Greensboro Fire Company with men and equipment next came along. St. Michaels sent its band.

Perryville, triple prize winner in the parade, making a fine appearance, followed. The Perryville Firemen carried a float spelling out the name of Perryville.

The Singerly Fire Company, of Elkton, with their band was next. Oxford and Easton engines, brought up the rear of the parade.

The business houses of the town, with their special decorations by expert decorators for the occasion, added much to the beauty of the evening.

As the parade ended the thousands of people started for the carnival grounds.

Fire company officials stated at the close of the evening that the amount of business had been far short of that of the previous year and that the crowd was not as great.

The prize winners were presented the awards by Postmaster Bennett.

A special feature at the Firemen's Carnival on Friday evening was the American Legion Fife and Drum Corp, of Elkton. With over fifty pieces this unit played in the carnival grounds at 7.30 p. m.

Marking, for the second time within eight months, the passing of a millionth milestone, the Chevrolet Motor Company announce that the five millionth Chevrolet was produced at the Flint, Michigan, plant, on September 8th. GOLDEN WEDDING ANNIVERSARY

The Hotel Rigbie, Betterton, was the scene of a beautiful Golden Wedding on Wednesday evening, Sept 12. The bride and groom of fifty years ago entered the reception room to the strains of Lohengrin's wedding march played by their grand children, Miss Naudain Moore and Emerson Moore. They were preceeded by a grandson, Arthur Moore, and a grand niece, Mildred Bosley, who scattered flowers in the way. After congratulations were given and received a fine program was rendered consisting of readings, music and old favorite songs. Mrs. Harvey Moore read a touching tribute to the honored couple which was composed by Frank H Ruth, of Galena. Sumptuous repast was served in the beautifully decorated dining room. the color scheme of golden yellow being carried out in every detail. The honored guests at the bridal table beside the bride and groom were Mr. and Mrs. Horace Brice, Mr. and Mrs. Reese Young and Mr. and Mrs. Scott Crownhart who have celebrated their golden weddings, also. Mr. and Mrs. Moore received some handsome gifts, among them linen, china and $300 of gold. They are the parents of Mrs. Violet Crew, Herbert, Harvey and Carlton Moore, all residing here. There are also four grandchildren. Beside a large ensemblage from Betterton and Still Pond, there were guests from a distance. Among them being Mrs Emma Hughes, Mr. and Mrs. Nelson Hughes, of Washington, D. C.; Mr. and Mrs. Hough Gooding, Mr. and Mrs. Oneill, Miss Myrtle Holmes, of Baltimore, Mrs. Wm. Cook and son of Bushkill, Pa., Mr. and Mrs. Howard Brice, of Philadelphia, Mrs. Mildred Bosley and daughter, of Los Angeles California, the latter being a niece.

An unusual and happy coincidence was that the family chain has been unbroken for fifty years.

"And, lo, behold, to them the Gods bestow a prize
To still retain the unbroken chain
beneath unclouded skies."

KENT WINS JUDGING CONTEST

Kent county boys again won the State 4-H Club Dairy Cattle Judging Contest at Timonium, with a total score of 3822 points. Harford county was second with 3675 and Baltimore third with 3460 points. There were twelve counties in the contest.

Kent's team was composed of Albert Sutton, Albert Nicholson and Frank Sutton, with Edwin McCrea as alternate. Congratulations boys.

The State Team is composed of the four highest individuals as follows:

Frank Sutton, Kent, score 1395.
Billy James, Harford, score 1260.
Lee Howes, Montgomery, score 1250.
John Burton, Dorchester, score 1230.

It is worthy of mention that Frank Sutton's score is higher by 75 points than ever before made in the State Contest.

The above team will represent Maryland in the National 4-H Club Dairy Cattle Judging Contest to be held at the National Dairy Show, October 15th, at Memphis, Tennessee. County Agent Horace B. Derrick, who instructed the Kent team will coach the State team for the National Contest.

Unique Records.

Frank Sutton's success in the recent State contest establishes two unique records, one for Kent and one for the Sutton family. This is the third consecutive year a Kent boy has won highest honors in judging dairy cattle in the State. In 1926 Walter T. Morris placed highest in the State. Norman Pennington won highest honors in 1927 and now Frank Sutton has taken top honors in 1928. Frank is also the third of the Sutton brothers to win a place on a State Judging Team and represent Maryland in the National Contest at a National Dairy Show. Stanley and Martin Sutton were the other State team members, while Stanley won a European trip for his dairy cattle judging ability.

CAME TO MARRY IN AIRPLANE

The age-old question, "Will you fly with me?" was answered in forthright fashion by Miss Grace Alice Dewitt, of Sunbury, Pa., when she suddenly decided Wednesday to become the bride of Elliott Edward Underhill, air pilot of New Brunswick, N. J.

Meeting her fiance in New York Miss Dewitt made a quick trip by air to Chestertown with the groom-to-be at the controls. Landing early Wednesday in a large field near this town the couple succeeded in arousing Deputy Court Clerk Thomas Dixon from his slumbers and at 2 a. m. marriage license was issued, the bride giving her age as 21 and the groom as 30.

By the largest majority ever given a gubernatorial candidate in Maine, William Tudor Gardiner, Republican was swept into the governorship on Monday over his Democratic opponent Edward C. Moran, Jr. Virtually complete returns in the first state election of the year, gave Gardiner a lead of more than 79,000 over Moran.

Senator Frederick Hale, seeking his third term at Washington was elected over Herbert E. Holmes, Democrat, by a majority almost as large.

Raskob says the Democrats only spent $6,000 and looked for just what happened.

At present there are, in round numbers, about 30,000,000 males and 29,000,000 females of voting age in the United States. This makes a possible voting population of about 59,000,000. But only about 29,000,000 actually voted at the last presidential election. Thus out of our total population about 26 per cent actually vote. If the Catholics vote in the same ratio as the rest of our citizens, this would make the Catholic population of 18,604,850.
