Sunday was Rally Day at Christ M. P. Sunday School. It was also Missionary Day, the collection being over $48. Mrs. G. H. Cannan's class won the banner which was presented by Rev. S. W. Coe, visiting minister.

In the absence of Rev. E. A. Sexsmith from Christ M. P. Church Sunday the pulpit was supplied by S. W. Coe, of Baltimore. He delighted everyone.

The Rev. Dr. Albert J. Croft, who for two years has been the pastor of Asbury M. E. Church, Salisbury, has received unanimous invitation to the First M. E. Church of Wichita, Kansas, has finally accepted the offer and will leave there next week. The salary is $5,000. During the two years that Dr. Croft has been pastor of Asbury Church mare than 250 members have been added to its roll. His successor at Asbury has not yet been announced.

PLAN UNITED STATES DRIVE FOR RELIGION

A nation-wide interdenominational campaign for the propagation of the Christian religion, probably the greatest movement of its kind in the history of this country, is under way It was launched last Sunday night at a mass-meeting under the auspices of the National Commission of Evangelism of the Episcopal Church, in Washington.

The meeting, a part of the program of the forty-ninth triennial general convention of the church, was attended by thousands of local and visiting Episcopalians.

Under the plans of the commission, as outlined at the meeting by Dr. William H. Milton, assistant national chairman of that body, an effort will be made within the next two years to blanket the entire nation with spoken and written appeals for a renaissance of religious faith and belief.

The campaign will not be exclusively an Episcopal affair. In the larger cities the co-operation of all Christian communions in making a complete religious census will be asked.

In addition, every church of whatever denomination will be urged to conduct simultaneous preaching missions, each communion working under its own leaders with its own preachers and its own methods.

Don't seek experience, you'll get enough of it if you let nature take its course.

If you can get amusement out of your own folies you should be able to work up a smile almost any time.

for any man to be out driving . . . but time and the stork wait for no man . . . and all of a sudden here comes Doc Bigelow's Nash slithering up to the F. O. P.* . . . with a squeal of brakes she stopped . . . "ten gallons of 'Standard' quick," says Doc, "and ain't it a rotten night for the Jones's to have their first baby?" . . . "sure is," says the genial pump man, "but I guess it's kind of up to 'Standard' to get you there" . . . says Doc, who will have his little joke, "I'm not a betting man, but I'll give odds I beat that stork."

*We won't keep you guessing about F.O.P. Take it any way you like. To some it means "full of power," that's "Standard" Gasoline everywhere. And then again, to others it means "faithful old pump" . . . there are thousands of "Standard" pumps everywhere you motor.

No matter where you buy it, at what hour of day or night, for whatever kind of car you drive . . . you'll always find at the familiar "Standard" pump a uniform, powerful, reliable gasoline. And with it always goes a smiling, courteous, helpful service.
