OLD PHONE BOOKS STILL USEFUL

The Kent County Chamber of Commerce is informally and unofficially calling the attention of telephone subscribers that confusion, for the time being, can be lessened by using the old phone books for a short period of time. Many subscribers have been assigned different phone numbers in the new books although the actual change has not yet been made. These adjustments are being completed as rapidly as possible according to reports from the Company. In the meantime much time can be saved both for the patron and operator by the use of old phone books.

FOOT BALL GAME AT ANNAPOLIS

Last year Washington College defeated St. John's by score of 6 to 0. Last Saturday Washington College journeyed to Annapolis and were defeated by score of 39 to 0.

The St. John's boys were too heavy for the Washington team. One of the best players for St. John's was Ferris Thompson, the half back who played for Swarthmore College last year.

Over 200 students and football fans from Chestertown made the trip on the steamer Emma Giles and had a fine time. They also saw the Navy and Duke game in the afternoon at the Naval Academy.

The Johnnies' first score came in the middle of the opening period, when Thomsen threw a forward pass to Smith for 15 yards and a touchdown. Thomsen missed the placement kick.

Just as the second quarter opened, Thomsen ran off tackle 15 yards for the second Johnny score. Spring's drop-kick was blocked by Sherkey, the Washington center.

Spring Crashes Through

At the close of the half, Willis Lynch ran around right end 30 yards for another score. Thomsen kicked the extra point. Washington kicked to the Johnnies at the opening of the second half and after one play, Spring, the Johnnies fullback, ran through a broken field 40 yards for a touchdown. Bull missed the placement kick.

Spring again broke loose and from his own 45-yard line ran through the whole Washington team for his second touchdown. Bull kicked the placement kick. In the final quarter Thomsen took the ball over from the 2-yard line after McCartee had gained 15 yards on an end run. Bull kicked the extra point.

The Johnnies piled up 18 first downs to 3 by the Shoremen. Two of the visitor's first downs were made on penalties. The other one was made by Harold Dean late in the game.

Shoremen Lose Chance

The chance for the Shoremen to score came in the last few seconds of play when Dopson ran the ball back 25 yards from the kick-off. Dean made a first down and the Johnnies were penalized 15 yards. With the ball on the 7-yard line. Mitchell knocked down a forward pass which Alexander tossed to Dopson, and the hope of scoring was gone.

Clem Spring, fullback for the Johnnies, was the star of the game. He scored two Johnnie touchdowns on long broken field runs and carried the ball ten times for an average of 17 yards each try. F. S. Smith, who played right end for St. John's, broke up every play that the Shoremen tried around his side of the line and made long gains for the Johnnies on forward passes from Thomsen.

Washington completed only one forward pass. Eddie Turner, captain and center for St. John's, intercepted a pass in the third quarter and broke up a number of plays through the center of the line. Ferris Thomsen was the second greatest ground gainer for the Annapolitans and ran fine interference for Sspring when the latter made his long run.

Over 3,000 persons, the largest crowd to witness a football game at St. John's in years, witnessed the downfall of Washington.

GREAT RESULTS FROM COMPOUND

Read How This Medicine Helped This Woman

Brainerd, Minn.—"I read about Lydia E. Pinkham's Vegetable Compound in a newspaper and I have got great results from its tonic action at the Change of Life. Before I took it I was nervous and at times I was too weak to do my housework. I was this way about a year. But now I do all my housework and do chores outside also. I must say that Lydia E. Pinkham's Vegetable Compound has done wonders for me and no woman should be without it. I sure can speak a good word for it."—Mrs. Jim Smith, R. R. 7, Brainerd, Minnesota.

THE SPARKLETS SPEAK

HE: "White Roses promise heart's delight, I bring you rings of roses white,"

SHE: "They sparkle bright as diamonds do And while they shine, I'll love but you."

The name WHITE ROSE is stamped in every ring.

THINK of doing an entire washing in an hour or so, with less effort than washings were ever done before. This new washing speed, accompanied by a thoroughness that washes everything beautifully clean, from dainty lingerie to badly soiled work-clothes, without any hand-rubbing, won world leadership for the Maytag.

The Roller Water Remover with a flexible upper roll and a hard lower roll, takes the exertion from the last half of the washing. It is close to the water line, making high lifting of the heavy water-soaked clothes unnecessary. The flexible roll is a distinct advantage in protecting buttons and it removes both soap and water evenly from every part of the garment.

There's but one way to fully appreciate all the advantages of the New Maytag—wash with it, and this you can do without cost or obligation.
