NEW ASHFORD FLASH RESULT

New Ashford nestled i nthe heart of the Berkshires Nov. 6, went the distinction of being the first place in the entire country to complete its vote for President.

It gave Hoover 28; Smith 3. The vote was flashed to the nation at 6.30 a. m.

Four years ago the town gave President Coolidge 20 votes to four for Davis, his Democratic opponent.

Tuesday's vote by far the earliest ever tabulated here. In 1924 the count was not completed until 7.0[illegible] a. m.

VOTES, DROP DEAD

Mrs. Etta Marshall, 70, of Newton, Mass., dropped dead Tuesday a moment after she had entered a voting booth to cast her ballot. A medical examation said death was caused by heart failure.

A FINE GIFT

The Kent County Hospital recently received the gift of a fine oxygen outfit from a Kent county citizen. This is a much-needed and a most important addition to the equipment of the plant.

In order to correct an erroneous impression which has sprung up in regard to the cost of operations, the following explanation is given. The hospital charge for a case which requires the usual twenty-four hours attention is seven dollars. This does not include the fee of the surgeon which is altogether a matter between the surgeon and his patient. When the seven dollar hospital charge was made public some time ago, a number of people who had prospective patients in their family came to the conclusion that the seven dollars covered the entire cost. It may be safely said, however, that the surgeon's fee is practically a minimum charge for the removal of tonsils and adnoids. In cases where the patient is unable to pay at all, the work has been done free of all costs.

Ten operations with the hospital filled to capacity is the record for this week. From the very beginning the present quarters proved too be too small and the growth of the work too great for its sponsor, the Kent County PublicHealth Association to handle unaided. While a number of generous gifts have been contributed to the hospital a certain amount of publicity in connection with the gift has been lacking due to the fact that the donors wished their names withheld. A gift and a giver often prove an inspiration for other gifts of a similar nature or as a supplement.

This work was started by the Pub-Health Association in response to the acuteness of the need of the children in Kent who were unable to have the attention they required because of the distance from hospitals and the expense involved. That it is fulfilling its mission is proved by the fact that there is a long waiting list and that as many operations take place each week as the equipment and staff are able to take care of.

RECIPE FOLDER

The Del-Mar-Va Eastern Shore Association has received from the printer the new edition of the Del-Mar-Va Products and Recipe Folder for distribution in answer to the many hundreds of inquiries which have been received asking for this special piece of literature.

The original Products and Recipe folder issued by the Association became extremely popular in connection with the five weeks radio program which the Association carried out two years ago. Since that time the original lot of some 15,000 folders became exhausted and several weeks ago, because of the heavy demand, appropriation was made for an additional 10,000.

Recipes included in this folder have been entirely revised so that they are typical of the Peninsula and their ingredients are almost entirely Del-Mar-Va products. Miss Ruth Powell, Instructor of Home Ecoonmics, at the Maryland State Normal School,Silisbury, rated as an authority on Eastern Shore and Southern cooking, revised the receipts and checked all as being workable. Four typical southern menus are also offered with a variety of dishes to be selected for each meal.

One of the unusual features among the recipes carried is instruction for the preparation of Canvassback, Redhead, Black and Mallard ducks, being the widely famed reciepe used by United States Senator T. Coleman duPont.

The new folder contains 12 pages and is attractively illustrated with scenes presenting leading Del-Mar-Va products and including views of Del-Mar-Va highways, homes and gardens.

NICKEL LIMIT FOR SMOKERS

Play This Game—You'll Enjoy It and Save Money Too

Yes, sir, you can now buy a genuinely cool, mild, full-flavored cigar for five cents — *Havana Ribbon*. Just consider the "makings" in this cigar: No bitter *under*-ripe nor "flat" *over*-ripe tobacco; no "scraps" or "cuttings" to come out in your mouth. . . . None of the riff-raff so frequently used in the making of cheap cigars. But true, fine-tasting *fully*-ripe, long-filler middle leaves of choice tobacco plants, through and through—the kind you usually find only in cigars selling at much higher prices.

Havana Ribbon is the greatest five-cent cigar value in the world, and no maybe. It's made and smoked by the millions. It's the pride of one of the largest manufacturers in the country. Simply nothing else like it! Try one and you'll smoke hundreds. Sold everywhere. Also *Practical Pocket Packages* of five cigars.
